Each month, we will highlight Ten Great Things Happening in our Learning Community. We know there are so many, many more great things going on in our schools, every day, and here are some highlights! Superintendent's Corner:

"No Shoes, No Shirts, No Problem" season has changed to "No Shoes, No Shirt, Frostbite" season. But the learning in Region 10 is as hot as ever!

I have some incredible items to share with you in this month's edition of the "Ten." As we get ready to celebrate the holiday season with family and friends, I am so thankful to all of you in our Region 10 family for making our district such a special community!
