District Strategic Plan Goal 1

The % of students scoring at or above the proficient level on state ELA and Math assessments or approved internal assessments will increase annually to meet or exceed the annual "on track" MSIP target for all students and subgroups.

HMS ELA SMART Goal Goal 1: AP1C:T2

HMS will increase proficiency in ELA to 50% of students at proficient and advanced on iReady proficiency scales from the Fall 2025 Diagnostic to the Spring 2026 Diagnostic.

How To Interpret The Data

- Level 3 & 4(Light Blue & Blue):
Students projected as proficient (3) or advanced (4) according to iReady for MAP projections
- Level 1&2(Dark Pink & Pink):
Students projected as Below Basic(1) or Basic(2) according to iReady for MAP projections
- MAP data from the state for a comparison of data (iReady to MAP)

What Does This Data Tell Us?

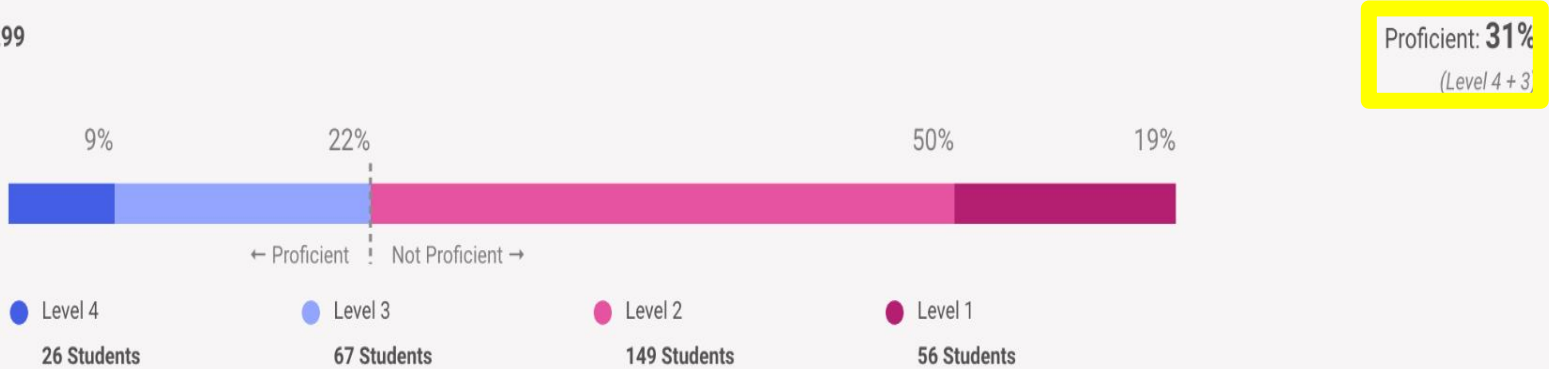

- The 4 levels are adv., prof., basic, and BB. iReady data is comparable to MAP data. If our students were to MAP test right now we would have 35% of students prof/adv. This is baseline data from the 2024 iReady, diagnostic 1 and MAP
