High School SMART Goals

As set by building leadership team:

HHS will average 93% building attendance through attendance data by May 2026.

At least 70% of teachers will scores at least 3 or better by May 2026 on NEE observations and student scores.

By May of 2026 HHS will increase student participation in clubs or activities by 10%.

NEE Indicator 5.1

- NEE Indicator 5.1: The teacher uses motivation strategies that affectively engage students.
- Student engagement can help drive learning and improve student mastery.
- Indicator 5.1 is reviewed through NEE observations conducted throughout the school year
- Teachers will be scored by student surveys given out during the year as well.

Strategic Plan – 1B & 4B

HS Club and Activities

MSHSAA activities student participation has grown by 102 students over the past 3 years

MSHSAA FALL DATA

9th Grade- 65/118 Participants

10th Grade 51/98 Participants

11th Grade 36/ 85 Participants

12th Grade 49/94 Participants

Research shows a positive correlation between student participation in activities, and attendance / academic success.

Data will be compared throughout the year to track student interest. We will also track who joined a new club/activity or maintained participation from the previous year.

Surveys will be sent out at the conclusion of the fall, winter and spring seasons to compare growth and engagement with our students.

Strategic Plan- 5A & 2A
