

Hoosac Valley Regional School District

# **School-wide Title I** **Notification**

2025-2026

The Hoosac Valley Regional School District has designated the **Hoosac Valley Elementary School** and the **Hoosac Valley Middle School** as School-wide Title I schools. A School-wide Title I school supports a comprehensive support program to improve outcomes for **all** students in Title I schools.

## **Title I priorities:**

- Strengthen the core program in schools and provide academic and/or support services to students at the elementary and middle school level;
- Provide evidence-based programs that enable students to achieve the learning standards of the state curriculum frameworks;
- Elevate the quality of instruction by providing eligible staff with substantial opportunities for professional development; and,
- Involve caregivers of participating in public school children as active partners in their children's education at school through open, meaningful communication, training, and, as appropriate, inclusion in decision-making processes.

Teams of teachers, Interventionists, Assistant Principals of Teaching and Learning as well as principals analyze data including family and student surveys, MCAS scores, formative and Fastbridge/iReady benchmarking data in ELA, Math, and Social-Emotional Learning to design instruction to best meet the needs of students. Title I, IIA, and IVA provides funding that allows services like professional development, supplemental materials, Title I reading and math intervention, and additional support staff in order to improve the overall education provided by the building. Small group instruction, remediation, and assessments are provided by Title I teachers, paraprofessionals and reading interventionists.

Students may work with interventionists in the classroom in a small group or in another quieter setting. The amount of time and duration of this service will vary. Please contact your child's classroom teacher if you have questions about their current programming.

The School-wide Title I schools must give opportunities for your input in our family engagement activities and policies. If you would like to help us plan for this year's programming, please reach out to me and look for family engagement activities and surveys in our principal's newsletters and website.

Our Title I annual meeting will be held at HV Elementary on November 19th at 5:00. We will be explaining what Title I is and how our Title I programming supports our Elementary and Middle Schools.

Thank you,

Jacquelyn Daniels- Title I Director
