IPM statement

It is the goal of SAN YSIDRO SCHOOL DISTRICT to implement IPM by focusing on long-term prevention or suppression of pests through accurate pest identification, by frequent monitoring for pest presence, by applying appropriate action levels, and by making the habitat less conducive to pests using sanitation and mechanical and physical controls. Pesticides that are effective will be used in a manner that minimizes risks to people, property, and the environment, and only after other options have been shown ineffective.

Our pest management objectives are to: *(Example: Focus on long-term pest prevention)*

The San Ysidro School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. From time to time, it may be necessary to use pesticides registered by the Environmental Protection Agency to manage a pest problem. A pesticide will only be used when necessary, and will not be routinely applied. When a pesticide is necessary, the school will try to use the least toxic product effective. Notices will be posted at these areas at least 24 hours prior to application and for 72 hours after the application.

IPM team

In addition to the IPM Coordinator, other individuals who are involved in purchasing, making IPM decisions, applying pesticides, and complying with the Healthy Schools Act requirements, include:

Name and/or Title	Role in IPM program
Maintenance & Operations Supervisor	Supervises IPM Coordinator, Decision making, Compliance, oversees IPM Coordinator and custodial staff. Provides notices of individual pesticide applications.
Assistant Superintendent, Business Services	IPM Decisions and Ensures that district is compliant with Healthy Schools Act requirements. Department provides notices of individual pesticide applications.
School Site Principals	Makes requests for IPM Coordinator to evaluate if pesticide application is required.
Custodial Staff	Frequently monitors for pest presence and maintains areas sanitized/clean for prevention.
Human Resources and Educational Services	Provides Annual Notifications to Employees and Parents.

Pest management contracting

Pest management services are contracted to a licensed pest control business.

Pest Control Business name(s): Lloyd Pest Control (Kitchens)

Prior to entering into a contract, the school district has confirmed that the pest control business understands the training requirement and other requirements of the Healthy Schools Act.

Pest identification, monitoring and inspection

Pest Identification is done by: School staff and Pest Control Company

(Example: College/University staff, Pest Control Business, etc.)

Monitoring and inspecting for pests and conditions that lead to pest problems are done regularly by District Custodial and School Staff and results are communicated to the IPM Coordinator.

(Example: District staff title, e.g. Maintenance staff)

Specific information about monitoring and inspecting for pests, such as locations, times, or techniques include:

(Example: Sticky monitoring boards are placed in the kitchen and are checked weekly by custodial staff.)

Sticky monitoring boards are placed in the kitchen areas and are checked weekly by custodial staff. Visual sightings and site/location walkthroughs.

Pests and non-chemical management practices

This school district has identified the following pests and routinely uses the following non-chemical practices to prevent pests from reaching the action level:

Pest	Remove food	Fix leaks	Seal cracks	Install barriers	Physical removal	Traps	Manage irrigation	Other
Ants	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Areas cleaned regularly
Fleas	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Check that animals are not nesting in or around areas where problem exists.
Roaches	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Areas cleaned regularly
Weeds	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Landscaping regularly
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Chemical pest management practices

If non-chemical methods are ineffective, the school district will consider pesticides only after careful monitoring indicates that they are needed according to pre-established action levels and will use pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property and the environment.

This school district expects the following pesticides (pesticide products and active ingredients) to be applied during the year. (This list includes pesticides that will be applied by school district staff or licensed pest control businesses.):

Name(s) of pesticides to be used:

Name of Pesticide	Active Ingredients	Purpose
Advion Cockroach Gel Bait *	Indoxacarb	Control cockroaches
Conrac All-Weather Blox*	Bromadiolone	Rodents (outside)
Glystar Pro	Glyphosate	Control weeds
Martin's Permethrin SFR *	Permethrin	General pest control (outside)
PT®Alpine®Cockroach Gel Bait Reservoir*	Guanidine	Control Cockroaches
Reward	Diquat Dibromide	Prevent weeds in planters
Speed Zone	Decamba	Control grass in ground cover
Surflan	Oryzalin	Prevent weeds in planters
Tempo Ultra wp	Cyfluthrin	Control ants and other insects
Total Release Fogger	Pyrethrins/Permethrins	Control insects
Tremidor 9.1% SC.*	Phenyl Pyrazole	Control ants and other insects

(* Outside vendor)

Healthy Schools Act

This school district complies with the notification, posting, recordkeeping, and all other requirements of the Healthy Schools Act. (Education Code Sections 17608 – 17613, 48980.3; Food & Agricultural Code Sections 13180 – 13188)

Training

Every year school district employees who make pesticide applications receive the following training prior to pesticide use:

- Pesticide specific safety training (Title 3 California Code of Regulations 6724)
- School IPM training course approved by the Department of Pesticide Regulation (Education Code Section 16714; Food & Agricultural Code Section 13186.5).

Submittal of pesticide use reports

- Reports of all pesticides applied by school district staff during the calendar year, except pesticides exempt¹ from HSA recordkeeping, are submitted to the Department of Pesticide Regulation at least annually, by January 30 of the following year, using the form provided at www.cdpr.ca.gov/schoolipm. (Education Code Section 16711)

Notification

This school district has made this IPM plan publicly available by the following methods (check at least one):

- This IPM plan can be found online at the following web address: www.sysd.k12.ca.us Also available upon request
- This IPM plan is sent out to all parents, guardians and staff annually.

Review

- This IPM plan will be reviewed (and revised, if needed) at least annually to ensure that the information provided is still true and correct.

Date of next review: August 2016

I acknowledge that I have reviewed this school district's IPM Plan and it is true and correct.

Signature: 

Date: August 18, 2015

¹ These pesticides are exempt from all Healthy Schools Act requirements, except the training requirement: 1) products used in self-contained baits or traps, 2) gels or pastes used as crack and crevice treatments, 3) antimicrobials, and 4) pesticides exempt from U.S. EPA registration. (Education Code Section 17610.5)
