

Brownsburg High School

Requesting Courses for

2026-2027

Directions for Requesting Courses Using PowerSchool

The following instructions are provided to help parents and students through the online course selection process for the 2026-2027 school year at Brownsburg High School. The goal is to streamline the selection process so there will be more time for individual student meetings and less time out of class for students. Once course requests have occurred, students in current grades 8-11 will meet with their counselor to confirm that selections meet graduation requirements as well as post-secondary/career goals.

1. Go to the Corporation website (www.brownsburg.k12.in.us) and click on the PowerSchool symbol to login to PowerSchool. .

2. Log in to your PowerSchool account (using your username and password). (You may use parent or student login information.)

Attendance Totals															16	5

4. It is time to select courses! Below is a copy of a partial student selection screen. Courses are listed by semester. **If it is a full year course, you must select the first semester number and the second semester number for that course.**

- Click on the pencil icon to the right of the course area.

The screenshot shows a sidebar with navigation links: Grade History, Attendance History, Teacher Comments, School Bulletin, Class Registration, Balance, My Schedule, and School Information. Below these are buttons for District Code (NZQQ), App Store, and Google Play. The main content area displays four course sections: English 11, Math 11, Science 11, and U.S. History. Each section has a title, instructions, and a pencil icon for editing. A red arrow points to the pencil icon for English 11.

After selecting the pencil icon, parents/students will see the course options available in that department for your grade level. You will be able to see what course prerequisites are and what course your teacher recommended you take (if applicable). When choosing electives, you may need to click through multiple screens to find specific classes.

5. Using your mouse, check the box next your course selection then click "Okay."

The screenshot shows the English 11 course selection screen. It displays a table with columns: Course Name, Number, Course Description, Credits, Prerequisite Note, and Alerts. The table lists several English 11 courses. A red circle highlights the checkbox for the course with number 148. Another red circle highlights the 'Okay' button at the bottom right.

☒	Course Name	Number	Course Description	Credits	Prerequisite Note	Alerts
☒	ENG LANG & COMP, AP*	155		1	Earned a B- or higher in English 10 HONORS or an A- or higher in English 10 AND Teacher Recommendation.	Prerequisites have not been met
☒	ENG LANG & COMP, AP*	156		1	Earned a B- or higher in English 10 HONORS or an A- or higher in English 10 AND Teacher Recommendation.	Prerequisites have not been met
☒	ENGLISH 11	147		1		
☐	ENGLISH 11	148		1		
☒	ENGLISH 11	1471		1	Co-Teach; Recommendation required	Prerequisites have not been met
☒	ENGLISH 11	1481		1	Co-Teach; Recommendation required	Prerequisites have not been met

6. Your selections now show on the student selection screen.

The screenshot displays a web interface for course selection. On the left is a vertical sidebar with icons and labels for various school functions: Grades and Attendance, Missing Assignments, Grade History, Locker Information, Attendance History, Teacher Comments, School Bulletin, Class Registration, Balance, My Schedule, and School Information. Below these are buttons for 'District Code NZQQ', 'Download on the App Store', and 'GET IT ON Google play'. The main area contains a header with instructions: 'Please utilize your scheduling worksheet as you select courses. All students must register for 7 periods each semester. As you select courses, click on "Select" every few minutes to avoid losing your selections.' Below this is a 'View course requests' link. The course requests are listed in a table-like format with five rows: English 11, Math 11, Science 11, U.S. History, and World Language 11. Each row includes a title, a description, a 'Click the edit button to request a course' link, and a status icon (pencil, checkmark, or exclamation mark). The 'Number of requests to generate' is set to 1 for each course.

Course	Description	Edit Button	Status
English 11	Select the first and second semester English course numbers you have marked on your scheduling worksheet, or those for which you are recommended.	Click the edit button to request a course	Warning (exclamation mark)
Math 11	Select the first and second semester Math course numbers you have marked on your scheduling worksheet, or those for which you are recommended.	Click the edit button to request a course	Warning (exclamation mark)
Science 11	Select the first and second semester Science course numbers you have marked on your scheduling worksheet, or those for which you are recommended.	Click the edit button to request a course	Success (checkmark)
U.S. History	U.S. History is required of all Juniors. Select the first and second semester U.S. History course numbers you have marked on your scheduling worksheet, or those for which you are recommended.	Click the edit button to request a course	Success (checkmark)
World Language 11	3 years of one world language or 2 years of two	Click the edit button to request a course	Success (checkmark)

Continue to make course selections until you have 14 boxes (requests). To change a request, click on the pencil. You must “uncheck” the box by the original request and check the box by the new request.

7. Once you have 14 boxes on your student selection screen, go to the bottom of the page and click “submit.”

8. After you have submitted, a screen will appear that lists your courses. When you see this screen, the registration process is complete!

****The requests that you have selected are not permanent. Your counselor can amend your requests during your student meetings.**
