

BROWNSBURG HIGH SCHOOL
SENIOR COURSE SELECTION WORKSHEET

Students and Parents:

To assist you in planning your course selections, please review the **Program of Studies**. This document can be found on the high school website at <https://www.brownsburg.k12.in.us/bhs-scheduling>. Please take time to review the BHS policies and procedures and the graduation requirements for Core 40, Academic Honors, and Technical Honors.

This form has been created as an aid in selecting courses online for the 2026-2027 school year using your PowerSchool account. Courses with two identifying numbers indicate a full year course (or two semesters). Identifying single numbers indicate a one semester course. A total of 14 semesters should be selected.
