

Dear Falcon Parents and Guardians,

Please review this important information about Fall final exams. Exam exemptions are available to students as an incentive for those who demonstrate excellence in attendance, conduct, and grades. The number of exemptions a student may qualify for is based on their grade level.

	9th	10th	11th	12th
Fall	1	2	3	4
Spring	1	2	3	7

Students must meet the following criteria for the semester to be eligible for an exam exemption:

1. No more than three absences
2. No more than three tardies
3. An average of 80 or higher in the class they wish to exempt
4. An E, S, or I in conduct
5. No out-of-school suspensions, ALC, or JJAEP placements
6. All fines and fees must be paid through School Cash by the deadline: Dec. 9th
7. Seniors must fulfill their CCMR requirements

Important Reminders:

- The exemption is for the exam grade and does not apply to attendance in the class. Students must be present during the final exam period if they already have 3 absences.
- Once a teacher has signed for the exemption, it cannot be overridden by another teacher/class or changed by the student.
