

Building and Grounds Committee Meeting Minutes

October 9, 2025 - 5:30 p.m.

Members Present: David Tannehill, Remy Bonnell, Dean Hay, Terry Bender, Gerald Conn, Mike Diehl (6:05pm), Frank Ryan (6:18pm)

Administration Present: Nicole Dice

1. Solar Panel Discussion

There was discussion about the two companies who met with the committee members to discuss their proposals. Details of each proposal were discussed within the committee along with how each project would impact the grounds and building. It was recommended to look into any insurance coverage needs which will be completed by Dr. Dice. The committee determined to present the proposal from BAI Group for consideration by the school board at the regular meeting.

2. Truck Bed Discussion

Dr. Dice explained that there will need to be some work done to the school truck in the spring to ensure the truck bed works properly. This was an informational item due to potential in upcoming expenses to fix.

3. Other Discussion

Dr. Dice explained an idea for communication through a digital sign on the school grounds. There was some discussion about size, location, and maintenance that need considered when speaking with potential companies. Dr. Dice will continue to look at options then present them when they are gathered for review.

The meeting adjourned at 6:25 p.m.
