**8:05 AM Discussion Item: Charter Dollar Expenditure Update – School Store (Scheifflee)**

Scheifflee explained that presenting a public/open bid for a “customed” project is challenging; contractors do not necessarily want their authentic idea made public; we will be seeking a 30day bid over a 90day bid because it’s primarily between 2 companies. Mr. Scheifflee did point out that 1 bid was \$5K over, but if it wins, we’ll find the money

**8:10 AM Informational Item: Principal’s Update (Scheifflee)**

Scheifflee explained that AI is a big focus for district and school. Presently AHS has 20 teachers working with a consultant on issues addressing the proper usage of AI at AHS. Hopefully, it will alleviate some of the anxieties of teachers. Primary focus is to address the when and how to use it and make the process user friendly for all.
