TEA Staff Development Waiver

2024-2025

- Pursuant to Texas Education Code (TEC) §25.081, TEA allows districts to apply for a waiver that allows the district to train staff on various educational strategies designed to improve student performance in lieu of student instruction during the school year.
- The waiver provides for a maximum of 2,100 total waiver minutes to use for professional development for districts that provide operational and instructional minutes.
- This waiver is for staff development in place of student instruction; therefore, the waiver minutes are only applicable to staff development provided instead of student instruction during the school year.
- Millsap ISD would like to request the TEA Staff Development Waiver for the 2025-2026 school year.
