Springfield Public School District

Demographics: All Students

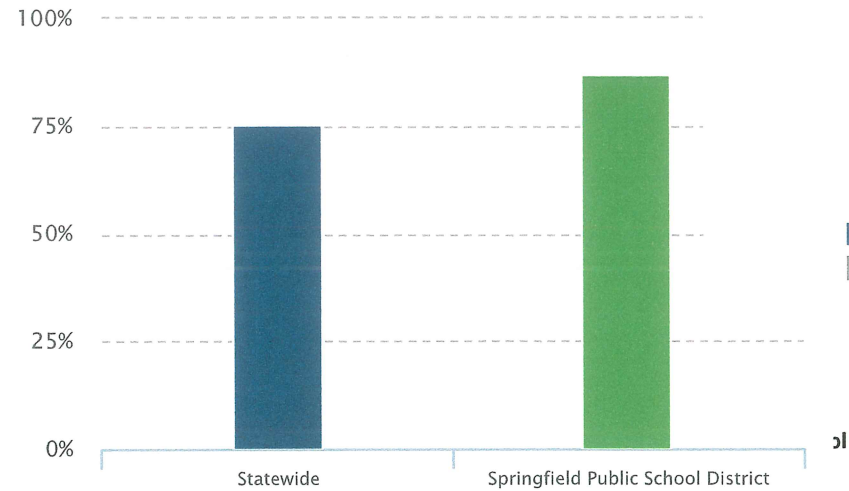

Summary

For more information about which schools have and have not been identified for support, please download the [North Star file](#). For more information about these designations, see the [School and District Accountability](#) page of the MDE website.

The number of students attending school regularly (2024)

This is a measure of students who attend school on a regular basis and are not frequently absent. A student is considered consistently attending if they attend more than 90 percent of the time the student is enrolled during the year.
