December 2025 Harbor Learning Center (HLC) Newsletter

November/December/January Calendar

November 25 Rotary Thanksgiving Meal, Special Bell Schedule 1:00 Early Release
Nov 26, 27, 28 No School Thanksgiving Break
Dec 3 Early Release 12:45 (District Wide Collaboration)
Dec 15 10:30 AM Senior/Graduation Cap and Gown Information from Jostens
Dec 19 Early Release 11:00 AM (Special Bell Schedule)
December 22-January 2 Winter Break
January 5 School Resumes
Jan 14 Early Release @ 12:45 PM for District Wide Collaboration
Jan 19 MLK Jr. Birthday Holiday - No School
Jan 23 Early Release 11:00 AM - Traditional end of the school semester

Principal's Message:

HLC New School- Our school continues to work with the TCF Architecture Firm on the design for our new school. The new school is being funded with targeted dollars from our state through a Seismic Grant. Four of our district schools- HLC, Miller, Stevens, and AJ West have been identified as needing to relocate out of the tsunami inundation zone. Our school will be relocated to the grassy field adjacent to the AHS student parking lot and across the street West from St. Mary's. We have entered a more intense design phase. Renderings of our new building are viewable in the lobby outside the main office.

Winter/Holiday Activities- We plan lots of fun Holiday activities during the month of December. Winter Wishes is a tradition at the Harbor Learning Center. Students make simple **and reasonable** wishes for themselves and/or other Dragons. Our school community spends the weeks leading up to Winter Break granting student wishes. Let us know if your family would like to participate by granting a student wish in some way. The day before Winter Break is our annual student pancake breakfast along with other fun holiday activities. Staff sponsor a holiday activity in their room and students sign up to participate in the activity. It's a fun way to send off students before the two week break. Don't forget students are released at 11:00 AM that day.

Counseling Office message- Kasi Turner kturner@asd5.org

SCHOOLINKS: Don't forget to do your SchooLinks activities! SchooLinks is a new program that is used statewide. It connects the students' High School and Beyond Plan from school to school across the state. All students, even Grays Harbor Academy, need to do school links. What does that mean? It means that if a student moves from one school to another, anywhere in Washington State, their information will follow them. This is great for student progress and tracking their future and current plans. As the School Counselor, I find this very exciting because students are able to track credits, graduation requirements and learn about their options for college and/or a career. ***SENIORS:*** Come see me to get information about financial aid and scholarships. There are several scholarships that are open and FAFSA opened on October 1. We are starting to plan for graduation. Make sure you meet with me about your graduation plans. ***SKYWARD:*** Students will continue to track their class progress in Skyward. Make sure you click on the "P" to see how many points your student has in each class. Students must complete a contract with a teacher for 100 points to earn a .5 credit. Having trouble with Skyward? Check with me, the secretaries, or Amy Moyer in the computer lab. Do you have questions about your student's progress toward graduation? Give me a call or stop by.

Does your student need someone to listen and assist with problem solving? I can do that, too. I can also assist your family in accessing BHR counseling services. We have LOTS of seniors this year, so I will be busy making sure each of our

seniors has an individual plan to complete their high school graduation requirements. - Kasi Turner - School Counselor - kturner@asd5.org - 360-538-2186

HLC Online Classes

If you are attending the Harbor Learning Center and curious about online classes, feel free to contact Robert or Kasi. If you are looking for a challenge, Edgenuity offers Advanced Placement and honors classes. We also offer foreign languages (Spanish, French, German, Latin, Chinese, or ASL Sign Language); upper level science classes like chemistry, physics, or astronomy; and math, including Algebra 2, Trigonometry, or Pre-Calculus. We can also offer psychology, sociology, and economics. If you're interested, please feel free to reach out to Robert or Kasi to explore some options.

Advisory

Advisory is a class students attend **every day.** Our 9-12 students earn points in advisory just like their other classes and earn elective credits. There are **REQUIRED** activities in Advisory, and students are expected to complete them just like they would complete assignments in their other classes. This class is where students access SchoolLinks activities referenced by our counselor, Kasi, in her newsletter section. Like the 24-25 school year, HLC is hosting clubs and projects twice a week during advisory. Stude nts sign up for the club or project they want to do. We started clubs/projects after Student Led Conferences, and clubs/projects occur on Mondays and Wednesdays.

Graduating Senior Information!

Reminder, if your graduating senior is interested in participating in the AHS Annual All Night Safe and Sober Party on Friday, June 5, a senior parent/guardian fundraiser meeting was held at 6 PM at Duffy's restaurant. The remaining meetings are typically monthly at the same time and place. To volunteer or get more information you can email seniorparentsof2026@gmail.com or pick up a flyer at the HLC.

You can also order a yard sign to celebrate your senior! It is all online at https://ahsclassof2026.itemorder.com/shop/home/ They are $40 each, and if you have any senior sign questions contact Lindsey Scott @ 1-360-581-4596.

Cap and Gown Information Dec 15 10:30 AM

The Harbor Learning Center Graduation is Thursday, June 4th, at 6:00 PM. Our plan is to have our HLC Graduation Ceremony at Stewart Field. By having our ceremony on the soccer/football field, we no longer have to limit the number of family/friends/guests that each student can invite. Students can purchase caps and gowns to keep from Jostens OR borrow a cap and gown that needs to be returned. This ceremony recognizes Harbor High Graduates, Grays Harbor Academy Graduates, Open Doors Graduates, and GED earners. **All must wear a cap and gown during the ceremony.**

After School Program

The After School Program has had a slow but steady turn out so far this year. To encourage students from Harbor Jr/SR High, Grays Harbor Academy, and Open Doors to attend, we are hosting a Billards/Pool Tournament. This happens the first and second week of December. The winner will receive a $20 gift card to the Dragon Cafe at Harbor High! The Pool Tournament is just one of the many fun things we are able to do in the After School Program. For any questions, please reach out to Emma Wimberley at ewimberley@asd5.org This is a great place for students from all our programs to get some tutoring, do some arts/crafts, and have a snack.

Technology message- Amy Moyer

We are heading into the cold, damp time of year. What is better than sipping on hot chocolate and reading a good book? We have lots of books in the library that would be perfect for a cold winter evening. Just a reminder that you can get points for reading books in English class! That is awesome! We also have poster paper and other art supplies in room 19. So, if you need them for your class please know that they are available.

Please regularly turn off your devices and charge them up nightly so that they work well and are ready for school.

Safe and Supportive Campus Expectations

Our school is a choice school. Students and families **CHOOSE** to attend. We follow the same district policies and expectations as our other district schools. We continue to work with our students to follow these expectations which in turn supports a safe learning environment. We enforce our state, district, and school policies and expectations around Harassment, Intimidation, and Bullying **AND** Gender Inclusive Schools. Many of our students chose our school knowing that it is a safe place to **be themselves**. We expect all of our students to be respectful of students' gender and gender expression. That includes using a student's preferred name AND not discussing other students' gender or gender expression. It is important that our teens are always respectful of others and make it right when they forget to do so. We have limited bathrooms at our small school. We appreciate your student being patient and understanding while waiting in line. We also appreciate that your student does not linger unnecessarily in the bathroom since others are waiting. Get in and Get out! We follow the same dress code as Aberdeen High School (see below).

Open Doors/GED Program

Every month the GED program gets busier and busier! We currently have over 80 students enrolled in our Open Doors Program. We have been incredibly successful this year and have already had 8 students graduate, some with their GED and others with their high school diploma!

To qualify for the GED program you must:

- Have turned 16 before September 1st of the current school year
- Be significantly behind in credits

Last school year, we had 40 students complete their GED and 8 complete their High School Diploma. If this is something you or your student are interested in, please reach out to our GED mentors Emma Wimberley (ewimberley@asd5.org) and Brittni Leitch (bleitch@asd5.org) or text us at 360-986-0122.

Grays Harbor Academy Information

We are well into the 2025-26 school year, and we are rapidly approaching the end of the semester, even though it seems so far away. **Students enrolled in Grays Harbor Academy need to stay on track, and pass all of their classes**. If students are significantly behind pace, they may need to work over the winter break in order to catch up and finish on time. We carefully evaluate progress at the end of the semester, and students can be dropped if they are not making satisfactory progress; that means removal from the online program and placement back in the home school (AHS, Miller, or local elementary school). If you are grade 7-12, please reach out to the school if you are considering in-person at Harbor High. There is a screening process that needs to be completed, and enrollment is not guaranteed.

Enrollment in GHA is readily open throughout the semester; however, *students who enroll late will still need to complete the entire courses from the beginning*. Since time is quickly passing, late enrollments will end up with fewer classes, and that can put a high schooler behind in credits. With the exception of grades K-5, we cannot waive coursework for online students.

In grades 7-12, we are using a new program this year called School Links, it can be accessed through Clever. This program helps students prepare for the High School and Beyond Plan, which is a graduation requirement. There will be periodic tasks to complete throughout the school year. Currently, there are three short assignments to complete: "Onboarding," a short reflection survey, and the "Top Skills" Assessment. Please let Robert, or Kasi, know if you need assistance finding, or completing, these.

All GHA students are included in i-Ready diagnostics, as well as the Panorama Survey. When these are available, the expectation is that students complete these in a timely manner. We do these in the fall, winter, and spring. Please be checking your email frequently to stay up to date on things that need to get completed, and respond as necessary. Good communication is critical to being a successful student online.

Grays Harbor Academy FAMILY PORTAL- HOW TO KEEP TRACK OF YOUR CHILD'S PROGRESS
To access the Family Portal, click "Add Guardian" on the student dashboard. You will need to input your name, email, phone number, and create a username and password. After initial setup, you can log in any time to review your student's progress, send messages to teachers, etc.

With the addition of more staff to support our students, we have changed some of the tasks/ responsibilities. We hope this helps direct you to the correct contact. As always, anyone can point you in the right direction.

GHA: Who to contact?

ASB (Associated Student Body) Activities!

The ASB sold candygrams for Halloween and raised over $100. We have been participating in the Foodball with Aberdeen High School. Students brought cans of food to be donated to the local food bank. The winning advisory class was rewarded by being able to Pie a staff member with a whipped cream pie. ASB members helped with our Thanksgiving Feast by setting up and decorating all of the tables.

Yearbook- Harbor Learning Center Yearbook Senior Page Kayla Sturm, Yearbook Advisor

We are excited to offer a special opportunity for HLC senior students to commemorate their time at Harbor Learning Center with a personalized full-page ad in the yearbook. Here's how you can make your senior's page truly special:

Full Page Senior Ad - $25

- **Price:** $25 for a full-page ad.

- **What's Included:**
    - **Up to 6 Photos**: You can submit up to six pictures to showcase memories, achievements, or favorite moments.
    - **Special Message**: Include a heartfelt message to your senior, whether it's from family, friends, or the senior themselves.

Guidelines:

- Photos must be **school appropriate** for inclusion in the yearbook.
- Photos should be high resolution for the best quality reproduction.
- The special message can be up to 150 words (or roughly one short paragraph).
- All content must be submitted by **January 31**.

How to Submit:

- Email your photos and message to **ksturm@asd5.org**.
- Payments can be made by **check (payable to HLC ASB)** or **cash** and must be submitted by the **January 31 deadline**.

Why Participate? This is a wonderful opportunity to create a lasting keepsake that celebrates your senior's achievements and memories from their time at Harbor Learning Center.

Interested in sponsoring ANOTHER senior? If interested, you can anonymously "sponsor" another senior student's page. Just let us know if you would like to donate towards another senior's page. You can select another senior OR let us choose one. Thank you**,**

Student Meals

Our school serves free breakfast and free lunch to all of our Harbor Jr/Sr High students. Students attending our After School Program will also be getting a snack. Grays Harbor Academy students are also welcome to have lunch when they are on campus. We serve breakfast until 10 AM so students arriving late can still get breakfast.
