

Holiday Gift Drive

Dear Mitchell School Families,

As the holiday season approaches, we are excited to continue our tradition of giving back to our local community. This year, Mitchell Elementary School Student Council will be hosting a **Holiday Gift Drive** to support families in need and help make the season brighter for every child.

We invite your family to donate to the Virtual Giving Tree. Presents should be new and unwrapped. The present should have the item number on it that matches the request so that it could be distributed to the correct family. The due date is **December 1st** and presents should be dropped off at the MES foyer.

Please see the link below for more information.

Thank you for helping us spread kindness, generosity, and holiday cheer throughout our community. Together, we can make this season truly special for everyone.

Warmest regards,

The Mitchell Elementary School Student Council
