DUALCAST	\$689.99

METAL QUALITY DESCRIPTIONS

We start with the best. Before we even begin to craft your ring, our jewelers start by selecting only the finest raw metals and stones. All of the metals that we use in our rings are derived through sources you can trust and are backed by a Lifetime Limited Warranty.

- White Lustrum** A non-precious metal alloy that is silver in color; it is a hard and durable metal.
- SunCast** Same characteristics as White Lustrum, but yellow in color because of coating with 23 karat yellow gold.
- Sterling Silver** A precious metal alloy primarily composed of silver with elements of palladium and gold, coated with a rhodium plating.
- Solaris Elite** This radiant yellow metal alloy is beautiful and affordable. We've combined durability and affordability to create our exclusive yellow alloy.
- 10K Gold** A precious metal that will stand the test of time and will always have value. Yellow or white in color. Also available in 14K and 18K --- the higher the karat, the higher the percentage of gold in your ring.

LIFETIME LIMITED WARRANTY

All rings come with a Lifetime Limited Warranty which includes:

- FREE resizing
- FREE cleaning, polishing & refinishing
- FREE one-time Design-A-Side remake before graduation
- FREE replacement of broken or chipped simulated stones
- FREE grad year changes or school transfer changes

PAYMENT OPTIONS

- OPTION 1:** Pay in Full on Order Day.
- OPTION 2:** \$100 Down Payment on Order Day... pay remaining balance prior to the Delivery Day. (We will let you know the exact date and how to make payments).
- OPTION 3:**

Place your order in school without a payment, then receive an email with a link and choose which payment option online works best for you.
