PBIS Rewards in Clever

FL Positive Behavior Intervention & Support (PBIS) highlights teaching students how to achieve expected outcomes and focus on proactive approaches to prevent problem behaviors before they occur. PBIS provides incentives for students to demonstrate desired behaviors and align with our school S.O.A.R. expectations. PBIS is the only approach for supporting student behavior that is called for by the Individuals with Disabilities Education Act (IDEA, 2004: 20 U.S.C. § 1400 (2004)). This federal law urges schools to implement PBIS as a whole-school approach, as well as with individual students! At Skyview, we use PBIS for the whole school, including classrooms, groups, individual students, and even staff!
