LOVELAND HIGH SCHOOL EARNS ADVANCED PLACEMENT SILVER HONOR ROLL - 88% OF STUDENTS PASS THEIR AP EXAMS

Loveland City School District
757 S. Lebanon Rd
Loveland, OH 45140

Loveland High School students can earn college credits by passing Advanced Placement exams or taking College Credit Plus (CCP) courses. The Class of 2025 earned 1,985 CCP credits during their high school career. Those credits would have cost families nearly \$1 million in tuition at the University of Cincinnati. In addition to saving families money, CCP courses also provide challenging coursework for students. On-campus CCP credits earned by our students have more than doubled since 2019.

"BEST SCHOOLS" LOVELAND ELEMENTARY, INTERMEDIATE, AND MIDDLE SCHOOL ALL NAMED TO "BEST SCHOOLS" LIST

Career Pathways

Our Loveland Tiger Pathways program gives students real-world learning experiences through employment, job shadowing, internships, and volunteer opportunities. These experiences allow students to explore careers and prepare for life after high school. We have partnered with dozens of local businesses, government agencies, and organizations, based on student interest. Learn more at lovelandschools.org/pathways.

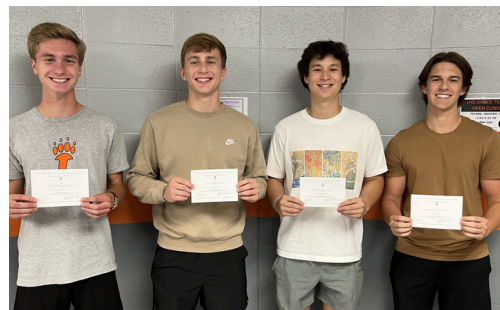

202 INDUSTRY CREDENTIALS EARNED BY THE CLASS OF 2025
2x STUDENT PARTICIPATION IN THE LOVELAND PATHWAYS PROGRAM HAS DOUBLED SINCE THE 2022-23 SCHOOL YEAR

Every Loveland student learns about careers in the trades during 8th and 10th grades. During the 2024-25 school year, Loveland students received vocational training in exciting fields including engineering, robotics, automotive repair, digital arts, advanced manufacturing, welding, and HVAC, thanks to our partnership with the Great Oaks Career Campuses.

Class of 2025 National Merit Semifinalists Jamie Brown and MacKenzie Liu

Class of 2025 National Merit Commended students Harrison Hentz, Carter Lucas, Benjamin Tibbs, and Adam Yesso.

Loveland City School District's performance on the 24-25 Ohio School Report Card places us in the top 10% of all 607 Ohio public school districts. **When you look at our overall rating points on the report card, no one in Hamilton or Clermont Counties scores higher while spending less money per student.** It's evidence that we provide a great return on our community's investment in education by accomplishing outstanding things in the classroom while being fiscally responsible.

Among public school districts in Hamilton County, Loveland ranks #5. We're just behind Madeira, Mariemont, Indian Hill, and Wyoming, and just ahead of some other outstanding districts, including Sycamore and Forest Hills.

These great results are only possible because our students come to school ready to learn, have fantastic support at home, and awesome teachers in the classroom.

Thank you to our Loveland City Schools community for your continuing support!

Superintendent Mike Broadwater

Fiscal Responsibility

ABOVE-AVERAGE RESULTS, BELOW-AVERAGE COST

The Loveland City School District achieves above-average academic results for our students at below-average cost to our community. Our Ohio Performance Index Score is above the state and local average, and our per-pupil expenditures are below the state and local average. No district in Hamilton and Clermont Counties performs better on the Ohio School Report Card while spending less per student.

Governor DeWine's initial proposal for the 2026-27 state budget would have had a devastating impact on our students by cutting \$2.5 million in funding for Loveland over our 5-Year Forecast. District leadership established a "State School Funding Committee" to educate our community about the proposed cuts and advocate for solutions. The result was a community lobbying effort, with a clear, consistent message to local lawmakers. The final approved budget restored the proposed cuts and increased state funding for our district. The change to state funding increases the district's total revenue by less than 1% while the CPI rate of inflation is 2.9%.

I am proud to announce that the Loveland City School District has earned the Auditor of State Award for our accounting practices. Less than 13% of public entities in Ohio earn this distinction.

I take my role as a steward of taxpayer dollars very seriously. During my time in Loveland, I have worked to ensure the security of our assets while also innovating in the way we do business to ensure our community gets the most out of every dollar spent.

I'm also committed to helping our community understand the sometimes complex system of school funding. My Finance Friday video series helps explain topics in school finance so our community members can be better informed. Scan the code below to visit our website and learn more.

Treasurer John Espy
