ESSER III INITIATIVES

Advanced Technology Academy

MAY 2024 UPDATE

Following the Approved Budget Amendments

The Federal Government made available ESSER III funding to help schools prepare for returning to in-person learning post COVID. The funding was to address Health & Safety Needs, Support Accelerated Learning, and Offer Services for the Whole Child - social / emotional / behavioral needs. These funds end 9/30/2024.

We appreciate the feedback you have provided us during the Parent/Guardian School Improvement Meetings; Surveys, and Public Comment at our Board Meetings. We welcome your continued thoughts and opinions on the services provided and in process so that we continue to work as partners in your child's success.

Completed Initiatives:

- Online Learning Licenses through Edgenuity
