Note from the teacher

Good morning families! I hope you all got to do something fun and relaxing with your family this weekend.

Last week was great. Check out the photos from last week and the events that PTO has coming up.

This week we are excited to invite Prairie Park Nature Center for a visit. They will be introducing the students to lots of local animals and talking a little bit about what they do at their facilities. This goes along with our science standards. Last year students had a blast getting to touch and meet all sorts of wild animals.

With the Fall Break coming up I will not be sending out a newsletter next Sunday. Take the break to have fun and relax with family and friends.

Please reach out to me if you have any questions or concerns.

## West choir, band and orchestra visit

Friday West Middle school was on a music tour. The choir, band and orchestra graced us with some beautiful music. We were able to see former Deerfield students and some classmates siblings.
