2. Title VI Student Numbers- 130-140 Range of Title VI students. We are looking into a couple field trips
3. Oneida Nation and Oshkosh Museum as potential field Trips with the students- Maybe looking at Oneida for next year as they are redoing some of the museum currently leaning towards Oshkosh.
4. Budget- The original budget given to Title VI was just told the overall budget amount however didn't realize how much of the budget was being allocated towards Ariana's Salary and benefits. With adding her son it added more from the benefits category which takes away from the other budget area leaving roughly \$5000 towards the rest of the budget. Fiscal year budget is July 30th 2024- June 30th, 2025. Must use the budget by May 30th, 2025 in order to have everything reconciled by June 30th. Total budget left for the school year is \$542.81 including the Donnellan donation.
5. March 6th is when the next survey is due for the Federal grant. The impact of the Federal cuts are not in our vision. Currently we are just going to keep going as planned. There will be two more cut offs prior to the next meeting and we will be in contact with Anne Toledo for webinars
6. IPC name can we keep that going forward? As a district we are looking at any trigger words that may come up from the public. We will be continuing on with our work but we

just want to make sure we are not going to have any resistance from any outside organizations or people. How do our groups need to be listed?

7. Public Hearing Potential Dates: April 7th or April 14th
8. How can we get more people to come to IPC? Can we send out a newsletter? A Canva document? Maybe having a zoom option?
9. Roger proposed having a special meeting before the end of the year to come back together to follow up on our conversations with any name changes, grants, etc in May. Will follow up next meeting

Meeting adjourned: 6:12pm
