RE: 2026 Bexar Appraisal District Board of Directors Appointments – Voting Phase

Dear Mr. Tijerina:

Thank you to those who participated in the nomination phase of the Bexar Appraisal District Board of Directors appointment process. Enclosed is a ballot listing all the nominees in alphabetical order and the voting entitlement of each taxing unit.

As required by Section 6.03(k), Texas Property Tax Code, the governing body of each taxing unit entitled to vote shall **do so by resolution, which must be submitted along with the ballot to the Chief Appraiser before December 15th**. As a reminder, Section 6.03, Texas Property Tax Code states that taxing units with at least 5% of the total votes in the appointment of the Bexar Appraisal District Board of Directors must determine its vote by resolution adopted at the first or second open meeting of the governing body held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body.

Only votes cast by resolution and submitted before December 15th will be counted in the voting process. The two candidates with the most votes will be declared appointed, and the results will be delivered to each taxing unit by December 31st.

If you have any questions regarding this process, please contact me or my Executive Assistant, Jimmy Saiz, at (210) 242-2409.

Sincerely,

Rogelio Sandoval
Chief Appraiser

Texas Property Tax Code Sec. 6.03

"The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district."

***A recent amendment to Section 6.03, Texas Tax Code states "A taxing unit with at least 5% of the total votes in the election for Bexar Appraisal District Board of Directors must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body."**
