SUMMARY OF PROGRESS
ECONOMIC DEVELOPMENT OPPORTUNITIES & COMPLIANCE DEPARTMENT
SUPPLIER DIVERSITY OUTREACH PROGRAM
REPORTING PERIOD: JULY 1, 2025 - SEPTEMBER 30, 2025 (FY26 Q1)

The Economic Development Opportunities & Compliance Department (EDOC) oversees the District's Supplier Diversity Outreach Program (SDOP). It is governed by School Board of Broward County Policy 3330 - Supplier Diversity Outreach Program and related Standard Operating Procedures. Policy 3330 was adopted to remedy the ongoing effects of identified marketplace discrimination that continue to adversely affect the participation of Emerging/Small/Veteran/Minority/Women Business Enterprises (E/S/V/M/WBE) in District procurement opportunities. The policy was updated by the Board on January 23, 2024 based on the Keen Independent Research 2023 Broward County Public Schools Disparity Study.

As EDOC continues to serve as a conduit to ensure inclusive procurement activity, we are implementing additional activities to fortify the target market. The summaries and illustrations below provide an update on the continual progress of SDOP for the July 1, 2025 - September 30, 2025 reporting period.

- **Veteran Business Enterprise (VBE) Initiative**

Using the U.S. Small Business Administration (SBA) *Dynamic Small Business Search* tool, EDDC researched Veteran Owned Small Businesses (VOSB) in the tri-county market. At the end of FY26 Q1, five hundred and eighty-three (583) firms were SBA Certified as Veteran-Owned small businesses. The totals by county were:

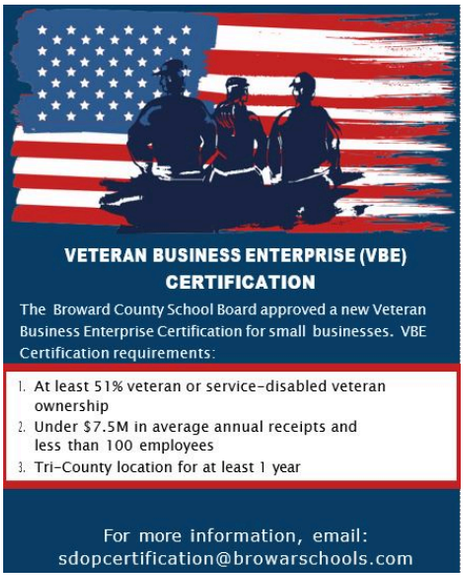

- ***Broward County: 240***
- ***Miami-Dade County: 213***
- ***Palm Beach County: 130***

To increase the engagement of Veteran-Owned firms in the tri-county market, in FY26 Q1, EDOC implemented the following initiatives:

1. Event Invitations: Veteran-Owned firms received targeted, monthly invitations to EDOC outreach events to gain valuable information and insight on Certification and how to do business with the District.

2. Veteran Business Enterprise (VBE) Certification Email Blasts: The EDOC Certification team conducted targeted email campaigns to tri-county VOSB Certified businesses to extend the opportunity to get Certified with BCPS. From outreach events and email notifications, nearly fifty (50) veteran-owned firms have expressed interest in certification with BCPS, and with the launch of the B2Gnow Certification Module, the EDOC Certification Team is providing one-on-one assistance with the process.

3. Data Collection & Tracking Veteran Participation: To assess Veteran engagement for event registration, EDDC includes the question: *"Are you a veteran?"* on the e-form. This enables EDDC to measure and track veteran business participation across all future events and initiatives.
