VI. Officers' Report

a. School Improvement Plan (SIP): Review of SIP goals- 3:32 Van Tassel

i. AICE Enrollment boost, hoping to maintain our district leading pass rate, State funds have not been allocated to the school by the district yet given fund earned via 24-25 year test results

ii. AICE/AP Social Studies goal is to push pass rate up to 75%, Mrs. David outlines supplemental tutoring session offered to students

iii. US History goal is to push pass rate from 63% to 64% for specifically students in Regular US History class, excluding Honors and AP student pass rate data

iv. Science goal is to push Bio EOC pass rate from 89% to 93%

v. ELA goal is to push FAST proficiency from 77% to 79%

vi. Math goal is to push Algebra 1 and Geometry pass rates from 75% to 76%, hoping that Delta Math is relicensed by the district for granting access back to the school.

vii. Stakeholder Feedback: None provided

b. SAF updates

i. Previous North area meeting discussed: video in self containing ESE rooms was discussed; vape detectors are to be rolled out in high schools (were piloted at some district schools) likely to be rolled out in bathrooms; AI detectors for bodily congregation and possible fight prevention; redesign of school websites was discussed; BCPS Cares was launched;

c. SAC School Accountability Funds: $67636

VII. Special orders/unfinished business from previous meeting

a. New business-

i. Mayershon offers Congrats to AP Koltunova for her nomination as AP of the Year
