Announcements:

- Math Club will have an informational meeting this Thursday after school in room E16. All are welcome. See Mrs. Gratton with any questions.
- Due to students being at their lockers a lot more now, we are seeing a lot more garbage in the locker bays. Please help everyone out by being kind and courteous and pick up the garbage around you. It is much appreciated!
- NEOJars will be in the commons during lunch runs on Thursday. With a wide variety of air fresheners, you're sure to find the scent you love. With limited-time deals, you can get two scents for ten dollars or get all five scents for only 20\$! Choose natural, choose Neo.
- Students: Is your computer running slow? Does it just spin and load forever? Show your PLD some love. TIME TO CHARGE AND UPDATE YOUR PLD! Run updates on your PLD and the Chrome Browser ONCE a week and keep your PLD charged. If it doesn't have charge or is not updated regularly, it can't do its job! If you have any questions or need a reminder on how to run updates, please stop in the library. We are happy to help! The Library Staff AND your PLD thank you!
- Happy Wellness Wednesday! The theme for the month of November is gratitude. Studies have shown that expressing gratitude improves overall wellbeing including psychological, physical and emotional health. Please stop in the library to pick up a note to express gratitude to someone in your life.
