TUALATIN HIGH SCHOOL

The Tualatin WAY means adults feel supported to be autonomous in their work, students feel connected to staff and the school, and everyone feels safe to take risks to achieve mastery in their learning. We believe that achievement and learning will improve as relationships improve. We believe in designing a balance of dependent and independent instructional opportunities to meet the needs of all students, and that we will decrease our achievement gaps as a result.

Tualatin is a small city named after the Tualatin River in Clackamas and Washington Counties. It is located as a southwest suburb of Portland, Oregon and is home to a little over 26,000 residents. As a community based High School we strive to celebrate and be responsive to our diverse students and families.

Mission Statement

Tualatin High School is a community where ALL are accepted and valued. Positive relationships and experiences are the foundations of a safe and stable community.

TuHS empowers students by being intentional about opportunities that make them future advocates for a more equitable, just, and connected world.

The 4 A's

Academics	Activities	Arts	Athletics
<p>Over 80 percent of our graduates continue their academic studies after high school. Over 50 percent attend four-year colleges and universities. Our student scores on the International Baccalaureate exams rank among some of the top in the nation. This result gives students a head start with college credits and scholarships. Tualatin High School's state test scores have consistently exceeded state and national averages over the last ten years.</p>	<p>One key to success for all high school students is to get involved. A wide variety of clubs including FBLA (Future Business Leaders of America) Robotics, MeCha, ASB student government, vocal and instrumental music, drama productions, dance, speech team and more await every Tualatin student. These high-quality experiences enhance the education of a well- rounded student.</p>	<p>Tualatin High School students take a diversified curriculum in the Fine and Performing Arts. These offerings have evolved to meet the needs of students who are interested in exploring their creative and artistic interests. The curriculum offers many opportunities for all which is evident from the long list of successes of our art students.</p>	<p>Tualatin High School is proud of its strong athletic programs. The Timberwolves have won League Championships in every OSAA sanctioned sport, twenty-eight state championships, and two national championships. Our athletes compete in the 6A division in over 15 sports. Athletic opportunities include: Fall sports: Football, cross country, boys/girls soccer, volleyball, cheerleading, water polo and dance. Winter sports: Boys/girls basketball, boys/girls wrestling, swimming, ski racing. Spring sports: Baseball, softball, boys/girls tennis, track and field, boys/girls lacrosse and boys/girls golf.</p>

Arts/Career/Foreign Language	3.0 credits
Physical Education	1.0 credits
Health	1.0 credits
Other Electives	8.0 credits
Total:	26.0 credits

Test Score Information

From 2008-2024, the Tigard-Tualatin School District paid to have all Juniors take the American College Test (ACT.) As a result, not many of our students take the SAT so we did not include that data. We are not offering the ACT in 2024-2025.

ACT: Due to Covid 19 we did not offer the ACT in 2020 or 2021.

CEEB Code: 381163

College Attendance:

4-year community college/university	56%
Community College:	27%

Graduation Information (class of 2024)

Number of Graduates	382
With Honors	90
With IB Diploma	15
Number of Students taking IB Classes	243
Number of Students earning their Seal of Biliteracy	42

Bell Schedule and COVID-19 Impact: Tualatin High School is on a two semester rotating block schedule, where students have the opportunity to take 8 classes a semester and attend 4 classes each day. Due to the COVID-19 pandemic in 2020-2021, Tigard-Tualatin School District was in Comprehensive Distance Learning for the first 3 quarters (Sept-mid April). We were on a 4x4 block schedule where students had the opportunity to take 4 classes each of our 4 quarters. In April 2021, families had the educational choice of hybrid (coming into the building for 2 days a week and staying online for the remainder of the week) or staying 100% online. Letter grades were awarded and if a student didn't pass a class a NG (No Grade) was assigned.

Since the pandemic, F grades are transcribed as NG, No Grade, and not calculated in a students GPA.

Dual Credit Offerings: Tualatin High School is able to offer dual credit with local colleges in math, science, writing, world languages, digital arts, business, computer technology, culinary arts, and child development. Students will earn college credit as well as high school credit by taking these courses.

Career and Technical Education: Students have the ability to enroll in CTE classes at Tualatin High School that introduce them to multiple career areas. CTE classes are in the area of business, computer technology, construction, digital arts, culinary arts, digital photography, child development, engineering, and health occupations.

Community Experiences for Career Education (CE)2: (CE)2 is an alternative program where students earn high school credit by working at a local business, learning valuable job-related skills four days a week, while completing their core academic classes through packets and online curriculum in their in-center day.

2024-2025 Tualatin High School Curriculum

Courses listed below are offered or have been recently offered. Some courses listed on the transcript may have been offered in previous years, but are not included in our current curriculum.

(H) Honors Courses, Total: 55
International Baccalaureate Courses, Total: 26

(DC) Dual Credit Courses, Total: 26
*** Weighted Courses (IB, Dual Credit, CTE Certificate)**
