**TOGETHER**  
POCATELLO/CHUBBUCK  
SCHOOL DISTRICT 25

PCSD 25 believes a safe, supportive, caring, and respectful environment is critical to student learning. The School District 25 Education Foundation, in partnership with McDonald's, supports the Learner-of-the-Month award to recognize one elementary learner and one secondary learner from our district, from October through May. The C.A.K.E. Award celebrates positive character, attitude, kindness, and encouragement toward others. Nominations for the C.A.K.E. Award are submitted by a teacher who has observed the nominee's behavior and are approved by the school's principal.

C.A.K.E. Award recipients receive recognition at the monthly Board of Trustees regular meeting; a gift card for the recipient and their teacher, and a \$50 donation to purchase books in the recipient's name, both courtesy of the Johnson Family McDonald's.

## Elementary School Learner-of-the-Month

### **Allison Scott** **5th Grade, Gate City Elementary School**

Nominated by:  
John Humphrey

This month, we are proud to recognize Allison Scott as the Elementary CAKE Award recipient. Allison exemplifies the qualities of Character, Attitude, Kindness, and Encouragement through her everyday actions in the classroom and across Gate City Elementary.

Allison is known by her teacher, Mr. John Humphrey, as an exceptionally kind and thoughtful learner. She goes out of her way to be friendly to everyone, making sure others feel included, welcomed, and valued.

In the classroom, Allison is always willing to participate and approaches learning with enthusiasm. She is a strong learner who puts effort into her work and contributes meaningfully to class discussions. Beyond her academics, she is quick to help and her willingness to serve others makes her a dependable and trusted member of her school community.

Allison is also deeply respected by her peers. At Gate City, learners write kindness notes to one another, and Allison receives four to five every single week. These notes consistently reflect the same themes: admiration, appreciation, and the positive impact she has on her classmates. This steady stream of heartfelt messages is a clear indication of the difference she makes simply by being herself.

Mr. Humphrey shared that Allison is "a joy to have in class," a sentiment that is echoed by the many kindness notes she receives and by everyone who has the pleasure of working with her.

We are honored to recognize Allison Scott for her genuine kindness, her strong character, and the encouragement she brings to those around her.

## Secondary School Learner-of-the-Month

### **Olivia Chatwin** **7th grade, Irving Middle School**

Nominated by:  
Lisa Baker

Tonight, we are honored to recognize Olivia Chatwin, a 7th grader at Irving Middle School, as our Secondary CAKE Award recipient for her compassion, leadership, and remarkable empathy toward others.

Her nominator, Ms. Lisa Baker, shared that she first met Olivia when she visited Olivia's 6th grade Health class to speak about bullying and how it affects learners with severe disabilities. "During that lesson," she wrote, "Olivia immediately stood out." Olivia openly shared her experiences supporting her brother Noah and expressed a sincere desire to make a difference. After class, she approached Ms. Baker to talk more—demonstrating a maturity, empathy, and openness well beyond her years.

Since that day, Olivia has consistently gone above and beyond to build meaningful connections with Ms. Baker's learners. "She began visiting my classroom during lunch and any opportunity she had," Ms. Baker explained. Now, as a 7th grader, Olivia serves as a peer mentor and continues to dedicate her time and energy to supporting these learners. She reads with them, plays with them, encourages them, and ensures they feel seen, valued, and included.

One touching example of Olivia's character is when she invited one of the learners to join her Flex class. Ms. Baker noted, "She now picks her up every day for class, ensuring that she feels included and supported." Olivia's kindness is consistent and genuine—she celebrates others' victories, stands up for them, and treats every learner with dignity and friendship.

Ms. Baker summed up her nomination by saying, "Olivia's character, empathy, and leadership truly embody what this award represents. She is an inspiration to both her peers and the adults around her."

We are proud to honor Olivia Chatwin for her leadership through kindness and her extraordinary commitment to including and uplifting others.
