INFORMATIONAL ITEMS

J. Coleman – September was a great start to the year. Students are getting used to a year without cell phones. Some students faced consequences for using their phones, which was reasonable. Fun events were the Homecoming game, dance, Powderpuff game, spirit week, pep rally, and Student Government speeches and elections. Seniors are working on their college applications. The Student Government had its first meeting, where we discussed expectations and how we would create change. We selected members for committees that were voted on. We discussed two proposals we had for senior parking spots and games for study halls, provided by me and Summer Mack. In October, we planned out our spirit week and costume contest on Halloween. The Student Government will share some of its goals, which include senior parking spots, games for study hall, a suggestion box to hear from students, reopening the courtyard, more student vs teacher games, an academic student of the month or week, and game tables back in the senior lounge.

M. Jasen – I attended the Buffalo Choral Arts music concert in our beautiful Aud. There were many compliments on our Aud. Mr. Day and Mr. Fronczak sang in the Choral Arts. I did a walk around with Maplemere. I went to the PTA meeting and watched the capital project presentation by Don and Mike. Really great questions were coming up, and people were listening. This is a great way to be transparent. They have Trunk or Treat coming up.

S. Johnson – Went to ELL Graduation. It was about 60 kids. I went to the Audit Committee meeting, the SHEF meeting, and the Alumni Board Meeting. Dirk and I attended the ECASB Resolutions dinner, which was interesting. I attended the DEI meeting, Building Use Committee, and Danyelle and Dr. Ginestre, and I visited the Middle School. We talked to the counselors and psychologists and went into classrooms. I forwarded everyone the results of the resolutions. Most came out the way we wanted them to, except for two. The one about mandated recess passed 173 to 60. I was only able to speak for a short time. The meeting ended at 9:45. It started with the general business meeting, then the elections. After were the bylaws. What took the longest was discussing the resolutions that were not recommended. The resolution about Board members getting tax breaks went down in flames, too.

NEW BUSINESS-continued...**INFORMATIONAL ITEMS**

D. Rabenold - I did participate in the resolutions dinner. It's interesting to hear what other districts think. I went to the Heritage Heights PTA meeting. The major part of the meeting was the capital project vote presentation. The color run is their biggest fundraiser. Last Thursday, I saw Dr. Timbs. Falon will copy and send you the presentation. It mostly consists of how the funding across the state is not equitable or fair. With the electric buses, some districts are voting them down. There was talk about National Grid not having the power for charging stations. He supported the initiative, but doesn't think it can happen in the time frame. They talked about the lack of funding for some of the health insurance because of the DEI situation. There is some concern about what the budget will look like this year.

D. Anthon - I went to two PTA meetings because I subbed in for Scott because who had an event. I went to High School and Glendale. It's a very different vibe. I got to see the capital project presentation. Marianne was right, a lot of great questions were asked. It put a different lens on the project that we have heard in these presentations because it was tailored to their specific building. I didn't get to do the Trunk or Treat at Glendale due to illness, but I plan on trying to go to both Maplemere and Willow Ridge's Trunk or Treat this Friday. I encourage everyone to go to one because they are so much fun. We did the Middle School walk-through, and I spent most of my career in the Middle School, so it was fun to go back and see it.

B. Laible - I attended the Middle School PTSA meeting. They are promoting the capital project and telling people it's a good opportunity to attend and learn more. They are looking for volunteers for activity night on Oct. 24th. I attended the audit committee. I attended a cross-country meet last week. Field hockey and football practice were going on at the same time. It's nice to see all the kids out there. I was told by the Fun Run Committee Chair, who lives in my house, to let everyone know that \$20,000 was raised. They outsource to a company that runs this, and they have had a lot of success with it. They are trying to put in a sports court. It can make a meaningful impact on the kids.

P. Bellanti - I attended the capital project presentation at Glendale. It was very well ran. Mike and I attended the Erie 1 BOCES Board Meeting to see our student, Brinlee Greco, present as Ex-Officio. She gave an update to the Board about the KenTon Center. There was a joke made about how Brinlee could not practice Cosmetology on Mike and me for men's haircuts.

D. Feldmann - Our craft show had 121 crafters, and there was a huge swim meet that day also. Very successful.
