**Re: Request for Quote #1796-Q, Metal Storage Sheds for 3 High Schools**

**Please note the following response to questions received regarding the above Request for Quote:**

**Question:** What type of construction are you looking for, wood frame heavy duty structure or industrial type metal frame?

**Answer:** We want metal frames and size indicated in the specifications.

**Question:** Can you provide an estimate/budget for this?

**Answer:** We will make this determination after review of quotes submitted.

**Question:** Do you have a date the sheds are due by or must be installed by?

**Answer:** If we award, the expectation would be delivery as soon as possible after making the award.
