February 17, 2022

To All Interested Parties:

**Subject: Addendum #1,
Request for Proposal – Provide Quarterly Preventative Maintenance and
Service for Automated Fuel System and Pumps**

QUESTIONS AND ANSWERS RECEIVED AS OF 02/17/2022:

QUESTION: Are there any emergency generator fuel tanks that also require quarterly inspections? I ask only because they are included in a similar PM programs that we have with Virginia Beach City Schools and James City County. If so, please provide a list of tanks/sites.

ANSWER: No; there is no need for this service

QUESTION: Under Section III Evaluation Criteria: Are there any specific certifications or licensing requirements?

ANSWER: No specific licensing required; however, we are looking for all required licensing to perform this work whether that be at the federal, state, or local levels.

CHANGE OF DATE:

Due to a required maintenance event with EVA, Suffolk Public Schools will be extending the due date on this procurement to a due date of March 8, 2022 on or before 2:00 PM. Questions for this procurement will be accepted until February 23, 2022.

ELECTRONIC SUBMISSION:

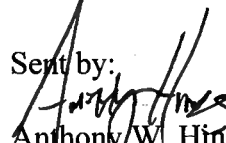

Proposers may submit their proposals through the EVA portal.

Please email Anthony Hinds at anthonyhinds@spsk12.net if you have any additional questions and sign below to acknowledge receipt of the addendum and include with your proposal. If your proposal has already been sent, this may be signed at a later date.
