To All Interested Parties:

**Subject: Addendum #1, RFP 1750-P (eVA RFP-L179-943-1)
Library Books, Print and/or Digital**

Please note the following response to questions received regarding the above Request for Proposal.

Question: For the sample MARC records, page 6 calls out both 852 tags & 949 tags. Since MARC software uses one or the other, which do you want us to use for the sample?

Answer: 852 for MARC Records

Question: There are sample books listed on page 7 for both physical samples and MARC records. Two titles are out of print at the publisher. How would you like us to handle this? Can we substitute different titles?

Answer: If the titles are out of print, those samples will not be required.

Question: Do you have binding requests for samples? Would you like to see eBook samples as well?

Answer: Library Binding is preferred, or if you have your own binding that is superior to normal binding that would be acceptable.

Question: You are requesting 1 thumb drive if bid is delivered or 10 thumb drives?

Answer: We will be able to accept just 1 thumb drive.

Question: Is this opportunity exclusively for one-stop vendors like Follett, Booksource, Classroom Library only? Is this open to publishers?

Answer: This is open to anyone able to meet the requirements of this solicitation.

NOTE: This solicitation is posted under (2) spots on eVA. If you wish to digitally submit your proposal, please do so under RFP-L179-943-1. We are able to sign a ND statement if requested.

Please email Linda Bates at lindabates@spsk12.net if you have any additional questions and sign below to acknowledge receipt of the addendum and include with your proposal.
