**Subject: Addendum #1
Security Camera System and Related Hardware**

Please note the following changes in this Request for Proposals:

TIME EXTENSION: Due to the amount of interest in this Request for Proposals and the amount of questions that require additional research, Suffolk Public Schools will be extending this RFP submission deadline to Tuesday, February 2, 2021 by 2:00 PM to allow for Suffolk Public Schools to respond to potential proposers' questions so they can respond to the RFP.

NON-MANDATORY PRE-PROPOSAL CONFERENCE

Suffolk Public will be having a Zoom Pre-Proposal Conference on January 19, 2021 from 10:00 AM to 12:00 PM to allow potential proposers the opportunity to ask questions or obtain more information surrounding the RFP. Proposers are to pre-register by emailing me at anthonyhinds@spsk12.net.

CLARIFICATION:

This is a RFP for us to purchase needed hardware and a camera management system that will work with the existing cameras. This is not a specific project. It is understood that this new system may not provide 100% feature compatibility but we expect all of the existing equipment to be able to view live and playback recorded video.
