To All Interested Parties:

**Subject: Addendum #1  
Provide Environmental Testing and Related Services**

Please note the following response to questions received regarding the above Request for Proposal. All available information has been provided.

**Question:** Could you please define in further detail what type of analysis you will require for the Toxicity Characteristic Leaching Procedure (TCLP) Testing?

**Answer:** We need whatever analysis the service provider deems necessary to determine if a sample is characteristically hazardous, i.e., classified as one of the "D" listed wastes by the EPA. This type of testing hasn't been requested in a number of years.

**Question:** Would you be interested in a quote for LEED Certifying this project?

**Answer:** I would encourage you to read the RFP in full detail. We are primarily searching for a firm that will perform this service on an as needed basis. While our current provider doesn't necessarily LEED certify, you can certainly put forth a proposal that meets the requirements of the RFP and adds additional certification.

### CLARIFICATION ABOUT SUBMISSION:

**You may submit to the EVA portal one electronic copy. If you wish to drop off the proposal, we were originally asking for the multiple copies, but are revising the request to one electronic copy dropped off and sealed in an envelope to the address listed in the RFP. Suffolk Public Schools will allow drop off of proposals on Thursday, May 14 1<sup>st</sup> May 21, 2020 between the hours of 1:00 – 2:00 PM.**

### DEADLINE FOR QUESTIONS

**The deadline for questions is now 5:00 PM on May 15, 2020. No new questions will be contemplated after this deadline.**

**IF PROPOSAL HAS ALREADY BEEN SUBMITTED, WE RESERVE THE RIGHT TO COLLECT SIGNATURES ON THIS ADDENDUM AFTER THE OPENING OF PROPOSALS**

Please email Anthony Hinds at [anthonyhinds@spsk12.net](mailto:anthonyhinds@spsk12.net) if you have any additional questions and sign below to acknowledge receipt of the addendum and include with your proposal.
