To All Interested Parties:

**Subject: Addendum #2,-1737 P  
Session Initiated Protocol (SIP) Trunk and Transport**

**Question:** Is this RPF going to be e-rate funded? Or are e-rate funds going to be used for purchasing?

**Answer:** No; this is not eRate funded

**Question:** For the routers mentioned, would the school want (vendor)\* to manage the routers?  
\*Vendor name removed in order to maintain confidentiality.

**Answer:** No SPS will manage the Session Border Controller

**Question:** For ethernet on the backend, what is preferred? Ethernet (copper)  
a. Electrical handoff  
b. Fiber handoff- single mode or multi-mode

**Answer:** Ethernet (copper)

**Question:** What consideration led to the timeline request? Fiscal year?

**Answer:** All circuits and porting of number must be completed by July 16, 2020. Our current contract is expiring in July and this contract has run out of the allowable renewals.

**Question:** In Sec. 1B-2, what kind of support for multiple physical connection options is being asked?

**Answer:** Separate connections at 2325 E Washington St and 351 Kings Fork Rd

### CLARIFICATION:

It is the expectation of SPS for the successful to port all phone numbers (approximately 110 numbers)

**AMENDMENT:**

Section I Item A 11 should read July 16, 2020.

**The deadline for questions will be February 21, 2020 by 5:00 PM. No other questions received after this date will be answered. The questions and answers will be compiled and answered in an addendum.**
