A MESSAGE FROM OUR PRINCIPAL

Dear Holy Rosary Families, Friends, and Supporters,

It is with great joy and deep gratitude that I introduce the Holy Rosary Biennial Report. As I look to begin my third year as principal of this beloved community, I continue to be inspired by the vibrant partnership among our dedicated educators, supportive parents, enthusiastic students, and generous parish and Edmonds community. Holy Rosary is more than a school—it is a joyful, faith-filled home where students are seen, heard, and loved.

Rooted in our mission to educate the whole child—mind, body, and spirit—we continue to grow as a place where academic excellence and Gospel values guide every decision. Our vision of forming compassionate, capable, and Christ-centered learners is lived out daily through strong instruction, meaningful relationships, and a commitment to justice and service.

Last year marked an extraordinary milestone as we celebrated 60 years of academic excellence. During the 24-25 school year we made it a priority to honor our legacy by highlighting alumni and creating joyful events that connected our past with our present. These celebrations, highlighted later in this report, honored our deep traditions while inspiring our path forward.

A highlight of the year was the introduction of *Ram Role Models*, our school-wide PBIS (Positive Behavioral Interventions and Supports) program. Designed to cultivate a strong school culture, Ram Role Models empowers students to live our core values with intention. Each month, students have the opportunity to earn a Virtue of the Month Award and enjoy a special lunch with the principal—a tradition that has quickly become a favorite. Our students truly love their school, and they take great pride in being recognized as leaders in character and kindness.

Academically, we continue to reflect and innovate. Last year we sharpened our focus on math instruction, something that we will continue to support through enhanced curriculum and professional development. We also adopted a new ELA curriculum for middle school, and are actively planning a K–5 adoption to further support student learning in reading, writing and phonics. Our teachers have engaged in ongoing professional development in Universal Design for Learning (UDL) to ensure that every student is met where they are and supported to thrive. Much of this progress is thanks to the vision and collaboration of our outstanding teacher leadership team—Mrs. Curry, Mrs. Schuler, and Mrs. Turpin—whose efforts focus on individual support to lift our entire community.

We also saw tremendous growth in development and fundraising, thanks to the addition of our part -time Director of Development, Karen Bombino. Her leadership is building momentum and helping to ensure a strong and sustainable future for Holy Rosary. You'll find more information about these exciting advances in the pages that follow.

At Holy Rosary we remain committed to forming students who live the values of Christ through service, compassion, and justice. We are thrilled to introduce a school counselor this year—an important addition that allows us to further support the emotional and spiritual well-being of every student.

Thank you to the families, donors, alumni, and community members who believe in our mission and help make Holy Rosary the extraordinary place it is. We are building the Kingdom of God—together.

With gratitude and hope,

Larkin Temme

MISSION STATEMENT

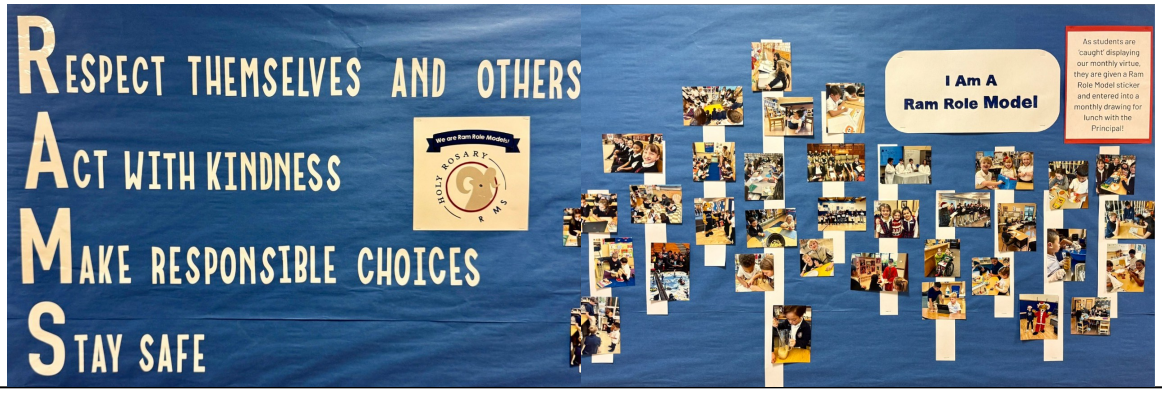

Holy Rosary Catholic School prepares children to be living disciples of Jesus Christ. We educate the whole child: academically, spiritually, socially and emotionally. Our parish school embraces the dignity of each person by igniting the love of learning and promoting a safe, supportive community to serve God and others.

RAM ROLE MODELS

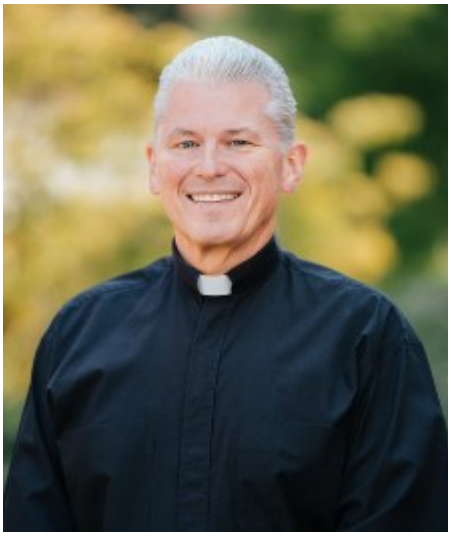

Last year, Holy Rosary School proudly introduced new language to help promote a positive school culture, Ram Role Models. Rooted in the Positive Behavioral Interventions and Supports (PBIS) framework, this proactive, school-wide approach reinforces clear expectations, encourages positive behavior, and supports student success.

By recognizing and rewarding our Ram Role Models, Holy Rosary continues to create a safe, respectful, and inclusive environment where students feel valued and motivated to learn. Through Ram Role model incentives such as virtue stickers, Dick's Lunch raffles and rewarding students who exemplify the virtue of the month, students have really risen to become Ram Role Models both in and outside of the classroom!

Over the past year, we've seen a noticeable increase in community awareness and a decrease in disciplinary issues. As we continue building on this momentum, we're excited to expand the program with the support of our new School Counselor, Denise Mullins, and continue fostering a safe, respectful, and inclusive learning environment for all.

A MESSAGE FROM OUR PASTOR

Dear Friends of Holy Rosary School,

This 2024-2025 academic year witnessed the celebration of Holy Rosary School's 60th Anniversary! It has been a time of rejoicing and giving thanks for decades of accomplishments in educating generations of students and participating in their human and Christian formation. I have delighted in serving as pastor of our parish school these past three years, and am grateful for these last two years of working with Principal Larkin Temme and her team of dedicated educators and support staff. Each year I have gotten to know our students better and journeyed with them along these formative years. I marveled to watch them grow as people, and have truly felt part of launching each class of our graduates into the next chapter of their lives.

The children who are our students here at Holy Rosary are a gift from God to the world. I feel a sacred commission to nurture our children in the love of God and help them learn the values Jesus taught us so they can become the people that God has made each of them to become. I deeply appreciate our faculty and staff as my valued colleagues in this, our common ministry. That is precisely why we value Holy Rosary School as more than a school. Holy Rosary School is a ministry of our larger parish, and one specifically dedicated to the mission of the Church, as given to us by Christ: "Go and make disciples of all nations" (Matthew 28:19). Our children are disciples in formation. As educators, we realize that education and knowledge help each person realize his or her human potential. As a Catholic community, we strive to infuse our Christian values into a quality education, to help each student develop to their own potential, as beloved children of God, made in the Lord's image and likeness (Genesis 1:16-27).

This year has also opened opportunities to work more closely with our sister school at St. Thomas More with the formation of our Parish Family (Partners in the Gospel) and my pastoral need to share time with both parishes of the Family. Since we share a common mission as Catholic schools, we have also started to share some educational resources and talents of our professional team. I have striven to keep my commitment of celebrating Mass and spending time in the classrooms each week, albeit alternating between campuses. It is a joy to talk with our children about the Gospel readings from the morning's Mass, tell another Bible story, teach a religion lesson, or work through the students' serious questions on a variety of serious topics.

I am pleased to present this report from Holy Rosary School—as the vibrancy of our school gives us every reason to celebrate what we have accomplished, and a desire to strengthen our program wherever needed. Holy Rosary School continues to aspire to the highest educational standards, and will play a vital role in the Catholic mission of our Holy Rosary—St. Thomas More Parish Family.

Blessings of God's Grace and Peace,

Rev. Matthew L. O'Leary
Pastor

PHILOSOPHY

Holy Rosary School is a Catholic school committed to the development of the whole child. Our philosophy sees parents as the primary educators and teachers as facilitators of learning, and recognizes the dignity of all members of the school community, guided by the teachings of Jesus Christ. We continue the long tradition of Catholic education to prepare future Christian leaders to live their faith daily in the home, in the parish, and in the community. Holy Rosary School prepares every child to be socially responsible for self, others, and the environment. We believe that Christ is in us, among us, giving dignity to all.

The Holy Rosary School community challenges every child to achieve academic excellence through a variety of learning experiences. We emphasize comprehensive instruction and focus on the needs of the whole person. We ask that students strive to be active Catholic Christians who see, live and celebrate as Catholics. We ask that students endeavor to be effective communicators in the written and spoken word, pursue critical thinking skills as responsible citizens, and develop intellectual curiosity as lifelong learners. We encourage the collaboration of parents, parish, and school organizations to extend and enhance the learning experience.

VISION

It is the goal of Holy Rosary School to graduate responsible, confident young men and women rooted in the Catholic faith who are morally and academically strong as they continue on life's journey.

WCEA ACCREDITATION

Since our 2022 accreditation, Holy Rosary School has made meaningful progress toward our long-term goals, with a continued focus on faith formation, student enrichment, academic growth, and strategic outreach.

We've expanded opportunities for students to actively participate in the faith life of our parish—through youth groups, meaningful service opportunities, and increased involvement in both weekly and Sunday Mass. These experiences help students connect more deeply with our Catholic identity and community.

Student enrichment has also grown, with new extracurricular options such as chess, yoga, art, and expanded athletics. These programs support the development of the whole child and provide new avenues for creativity, collaboration, and wellness.

Academically, we remain committed to continuous improvement. In mathematics, we've increased learning interventions and invested in targeted professional development for staff. In English Language Arts, we've implemented new curricular programs in both grades K–5 and 6–8, with a particular focus on strengthening student writing.

We continue to share the story of Holy Rosary through a growing presence on social media, coverage in local publications, and targeted advertising—highlighting our successes and fostering broader community engagement.

Looking ahead, we will continue to monitor our academic and operational progress in alignment with the evolving accreditation process. The Western Catholic Educational Association (WCEA) has shifted from the Improving Student Learning (ISL) protocol to the National Standards and Benchmarks for Effective Catholic Elementary and Secondary Schools (NSBECS). This transition represents a more mission-driven, data-informed approach that aligns Catholic identity with academic excellence, continuous improvement, and strong organizational leadership.

We look forward to deepening our understanding of how Holy Rosary meets these national benchmarks while identifying meaningful areas for growth and celebration!

Visiting Committee remarks following our 2022 visit:

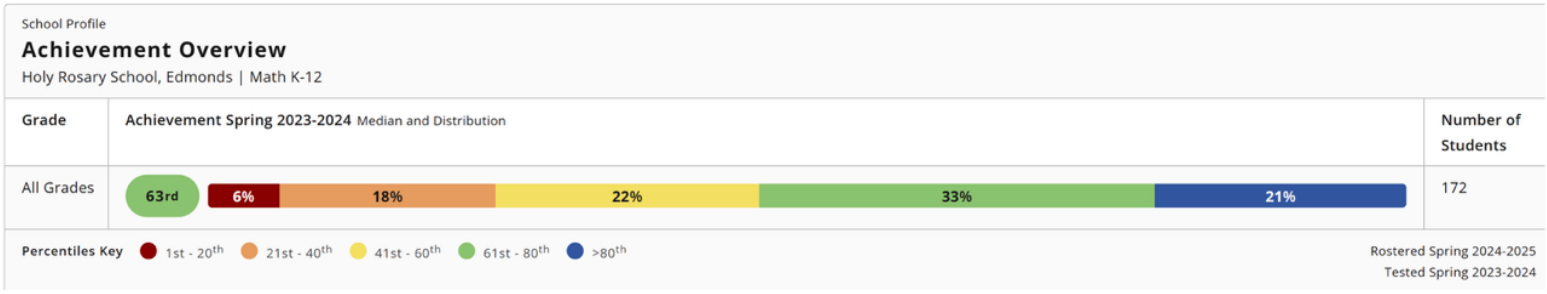

"Holy Rosary's strong sense of mission and discipleship permeate through the community. The strong leadership, supportive pastoral staff, outstanding parent community, and healthy enrollment are true assets to the school community. The dedication and commitment of the faculty and staff are inspiring. It is a true testament to the Catholic Identity and ministry. We are confident you have the will, capability and means to implement your identified goals."

ACADEMIC ACHIEVEMENT 2023-2024

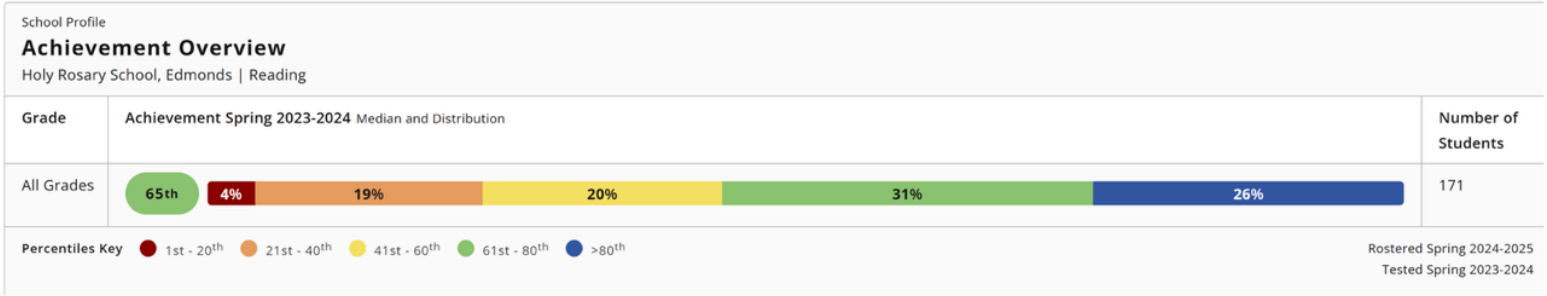

At Holy Rosary, we believe that student success is best understood through multiple measures of learning. Standardized testing, such as the NWEA Map, is one of the tools we use to gain a clear, consistent picture of both individual progress and overall school performance. These assessments help us measure achievement in core academic areas, track growth over time, and identify trends that inform our teaching. By analyzing this data alongside classroom performance, teacher observations, and other learning indicators, we can celebrate strengths, address areas for growth, and ensure every student is supported in reaching their full potential.

NWEA Map Data below shows Achievement for reading, language and math for the 2023-2024 school year and the 2024-2025 school year. Holy Rosary student performance in reading and language has shown steady improvement, while math remains an area of growth opportunity. To support continued progress, the school has implemented a new reading curriculum and will continue to invest in additional math resources, targeted tutoring, and professional development in math instruction.

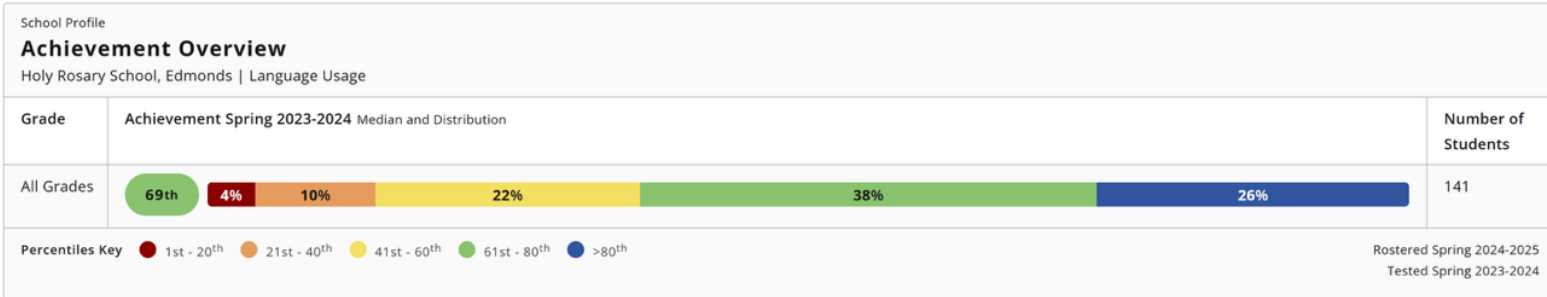

Holy Rosary School, Edmonds

Holy Rosary School, Edmonds

ACADEMIC ACHIEVEMENT 2024-2025

Holy Rosary gathers additional information on student progress toward grade level benchmark with Renaissance Star. Over the past two years, our scores have shown that 76% of our students are meeting grade level benchmarks in reading and math. We use this data to continue to work to identify students who can benefit from individualized instruction and interventions both in and outside of the classroom.

PARENT ASSOCIATION

At Holy Rosary School, every parent is a member of the Parent Association (PA) — a vibrant and inclusive group where all are encouraged to share ideas, collaborate, and actively participate in building our school community. The mission of the PA is to support the educational, spiritual, and social development of Holy Rosary students through service, fellowship, and school-wide engagement.

Throughout the year, the Parent Association sponsors a variety of events that bring families together and enrich our community. These include Dine-Out fundraisers, Grandparents Day, school dances, and staff and student appreciation activities during Catholic Schools Week.

The PA's signature fundraiser, the Ram Run, is a beloved Holy Rosary tradition that brings students, families, and alumni together for a morning of fun, school spirit, and purpose. Held on campus, students run laps around the upper parking lot, collecting colorful bracelets to count their progress while enjoying popsicles and music from a live DJ. More than just a fundraiser, the Ram Run builds lasting memories and strengthens our community bond.

In addition to supporting year-round activities, the Ram Run helps fund special school projects. In recent years, proceeds have been directed toward campus safety enhancements, playground upgrades, and critical technology improvements, reflecting the PA's commitment to both joyful student experiences and essential school needs.

The ongoing dedication of our parents is a vital part of what makes Holy Rosary a thriving, mission-driven community—and we are deeply grateful for the energy, time, and heart they bring to every event and initiative.

FUNDRAISING INITIATIVES & SUCCESS

We have had a busy fundraising calendar the past two years!

During the fall of 2024, the school launched its inaugural H.E.R.O. (Hope. Education. Resilience. Opportunity.) Scholarship Social, which raised over $53,000 for school scholarships.

The annual Holy Rosary Achieve Auction is the largest fundraising event of the year. For the 2023-24 school year, A Night in Nashville, raised over $195,930 for essential operating funds. This included the “Fund a Need” which brought in $75,350 toward the physical safety of the school building. Mary and John Hupf were named our Wall of Honor recipients for 2023.

The school celebrated our 60th Achieve Auction Diamond Jubilee for the school year 2024-2025. This event generated $251,848 which includes a “Fund a Need” of $97,050 toward an upgraded playfield. Susan and Soren Suver were named our Wall of Honor recipients for the year.

Each year, the Parent Association holds their very popular Ram Run on St. Patrick’s Day. In the past two years, we have raised over $50,000 to support additional safety, security and HVAC upgrades.

Our annual golf tournament each May, *Swing for the Kids*, brings together golfers of all abilities for a day of fun and a good cause! The golf tournament is held at Mill Creek Country Club with around 85 golfers participating. Over the last two years, more than $40,000 total net has been raised to support operational costs for the school including keeping teachers pay on par, raising funds to sustain competitive teacher salaries.

PLANNING FOR THE FUTURE

Generous contributions from our Endowment and Scholarship Fund made a meaningful impact by providing essential tuition assistance and supporting key educational programs that benefit every student.

Endowment Fund: The Holy Rosary Endowment Fund ensures the future of our school by providing the school with a sustainable source of additional funding through discretionary withdrawals of income from the invested capital. Our current Endowment has grown to $1,298,250. With our endowment surpassing $1,000,0000, we have been able to utilize $50,000 toward the school operational budget, ultimately making tuition more accessible to all families.

H.E.R.O. Scholarship Fund: The Scholarship fund at Holy Rosary has always provided an opportunity for all families to attend Catholic school. In honor of the school's 60th anniversary, we have re-named this to be the HERO Scholarship Fund, Hope-Education-Resilience-Opportunity. In the past two years, the Holy Rosary Scholarship Committee has awarded an average of $83,300 to support a reduction in tuition for families. This is in addition to the $41,500 we received from the Fulcrum Foundation. However, our need far exceeds this amount. In the fall of 2024 we introduced our first annual HERO Scholarship Event. An opportunity for supporters to learn more about the impact of their donation while enjoying a social and supporting the cause.

Parish Subsidy: Holy Rosary continues to receive generous support from our Parish to keep tuition accessible. This amount can change year to year based on the need as well as the Parish's ability to contribute. In 2023-2024, the parish generously contributed $150,000 and in 2024-2025, $100,000. The more parishioners contribute through stewardship, the more the parish is able to support the school, keeping tuition low while maintaining a rigorous academic program and competitive teacher salaries.

These funds ensure that a Holy Rosary education remains accessible and continues to thrive with excellence. As we look to the future, we invite our community of alumni, families, and friends to invest in the mission of our school. Your continued support helps sustain a tradition of academic excellence, faith formation, and whole-child development for generations to come.

CAMPUS SAFETY & FACILITY UPDATES

At Holy Rosary School, student safety is a foundational pillar of our mission and essential to creating a successful and supportive learning environment. Our Safety and Facilities Committee has remained focused on ensuring that our campus is both secure and welcoming for students, staff, and families.

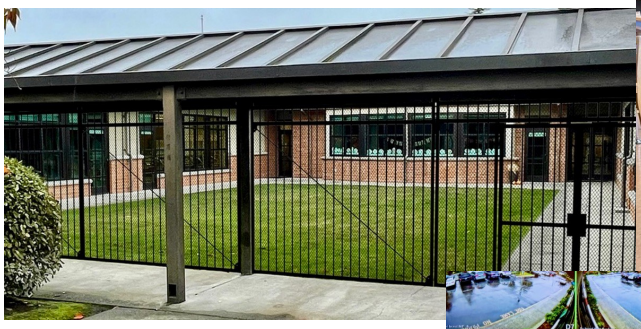

Following a comprehensive safety assessment conducted by The North Group, the committee identified three key areas for improvement. With the expertise of our dedicated team and the incredible generosity of our community, we made substantial progress on these priorities. Highlights of this work include:

- Installation of buzzer-entry doors with security cameras at four main entry points
- Implementation of full-campus interior and exterior video surveillance
- Construction of secure fencing around the courtyard and portions of the school grounds
- Upgrading all classroom blinds with enhanced security features for added protection
- Updated evacuation route maps are posted in each classroom and throughout the school building
- Provided drone imaging and campus maps to our local emergency officials

Thanks to the success of our fundraising efforts, we raised over $110,000 to support these critical upgrades. Surveys from students, families, and staff show an increased sense of safety and preparedness across campus—a testament to the tangible impact of these investments.

Beyond physical improvements, we have also strengthened our emergency readiness by updating our Emergency Operations Plan and conducting regular safety drills, engaging our entire school community in creating a culture of preparedness and care.

Looking ahead, our commitment to campus safety and sustainability continues. Future plans include a playfield upgrade and the replacement of our HVAC system—a major facilities project aimed at ensuring healthy, comfortable, and energy-efficient learning spaces for years to come.

We are deeply grateful for the continued partnership of our families and donors in helping us safeguard the well-being of every student and staff member at Holy Rosary.

CELEBRATING 60 YEARS OF EXCELLENCE

The 2024–2025 school year marked a significant milestone in Holy Rosary School's history as we joyfully celebrated 60 years of academic excellence, faith formation, and community. Our Diamond Jubilee was a yearlong tribute to the legacy of our school and a powerful reminder of God's enduring presence in our journey.

We began the celebration with a Mass of the Holy Spirit, presided over by Bishop Elizondo, followed by a ribbon-cutting ceremony that welcomed back distinguished alumni from the Edmonds community. This special event set the tone for a year filled with reflection, gratitude, and joyful gathering.

Our 60th Anniversary Auction was a record-breaking success, bringing together families, alumni, and friends in support of our mission. In January, our Open House featured a dedicated History Room showcasing decades of memories, milestones, and traditions to prospective and current families—reminding all of the strong foundation on which Holy Rosary is built.

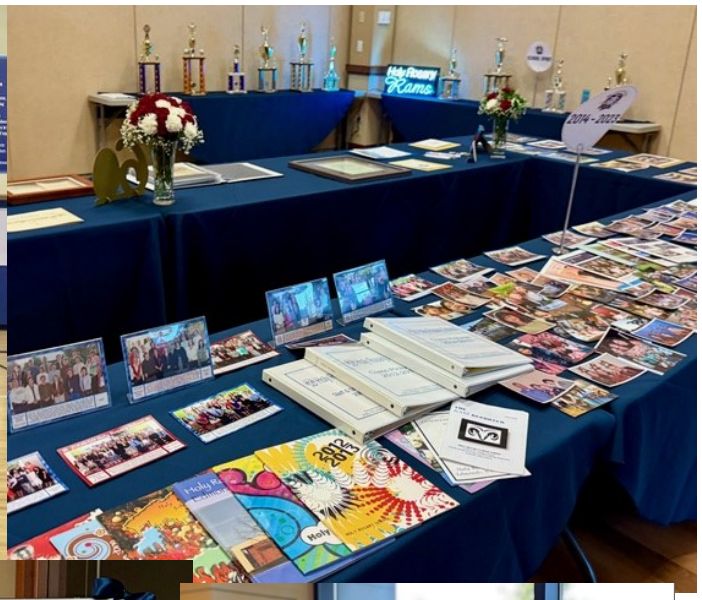

We closed out the year with a spirited "60th Anniversary Homecoming," featuring an honorary basketball game between the legendary 1988 CYO champions and our current 7th and 8th grade team. The event culminated in a lively afterparty hosted by our Parent Association, complete with games, fellowship, and an opportunity for past and present families to walk down memory lane together. Throughout this meaningful year, we celebrated not just the passage of time, but the countless lives shaped by a Holy Rosary education. With grateful hearts, we honor 60 years of God's blessings and remain steadfast in our commitment to nurturing minds, spirits, and hearts for generations to come.

CELEBRATING 60 YEARS OF EXCELLENCE

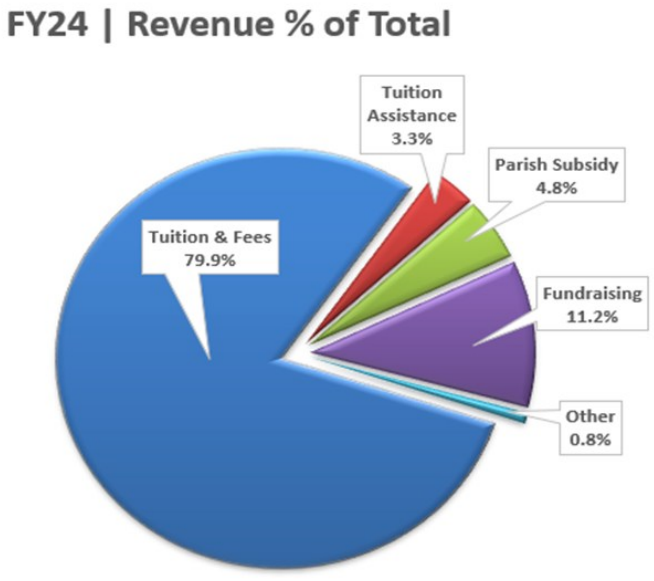

FINANCIAL REVIEW

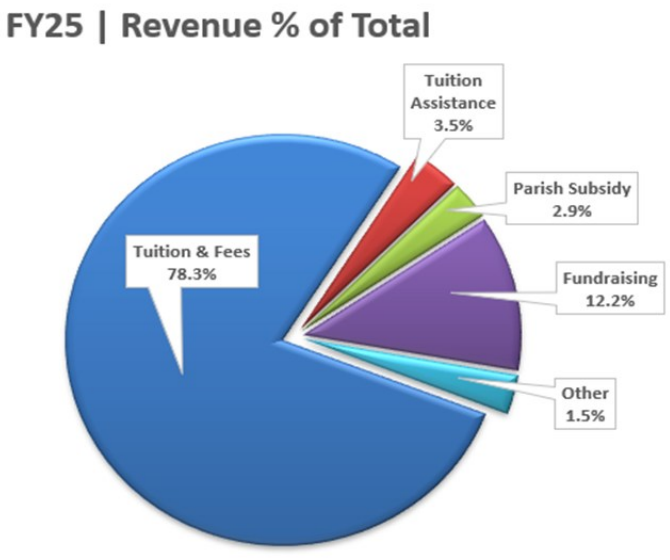

Holy Rosary School is fiscally sound. We apply rigorous planning and fiscal conservatism to ensure our school can continue serving parish children and the community for generations to come. Each year, our budget is based on a conservative enrollment projection. Enrollment increased in FY24 and has remained steady in FY25, and this stability—combined with our disciplined planning—has been a major driver of strong financial results.

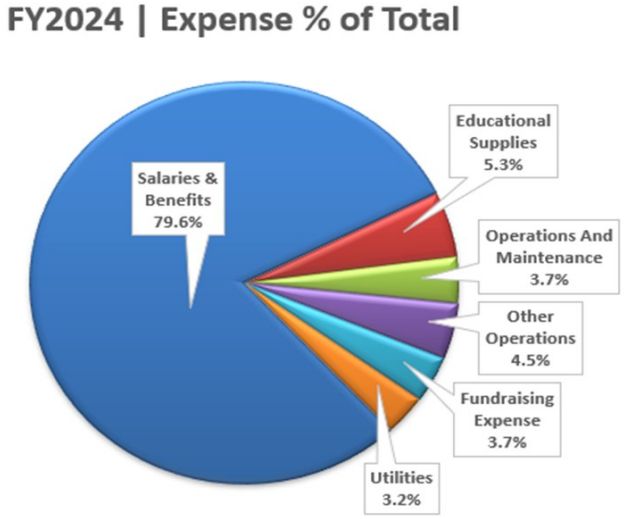

While expenses have grown slightly above budget each year, they have increased at a much slower pace than income and have largely supported student needs. Looking forward, the School Commission is focused on diversifying funding beyond tuition, particularly through increased fundraising and the strategic use of our endowment. In FY25, fundraising rose from 11.2% to 12.2% of revenue, and we began taking an annual withdrawal from the endowment fund. Both years closed with net income, which is being reinvested into capital improvements for the school.

	2023-24 (FY24)			2024-25 (FY25)		
Income	**Budget**	**Actual**	**% of Total**	**Budget**	**Actual**	**% of Total**

* All net income dedicated to funding future school improvements.

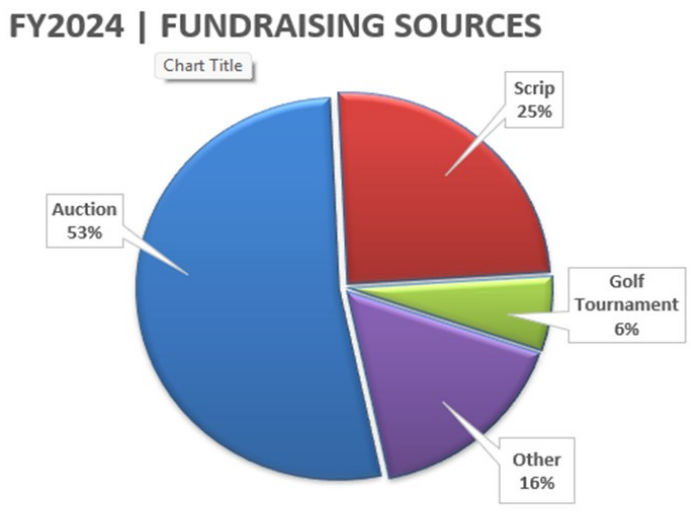

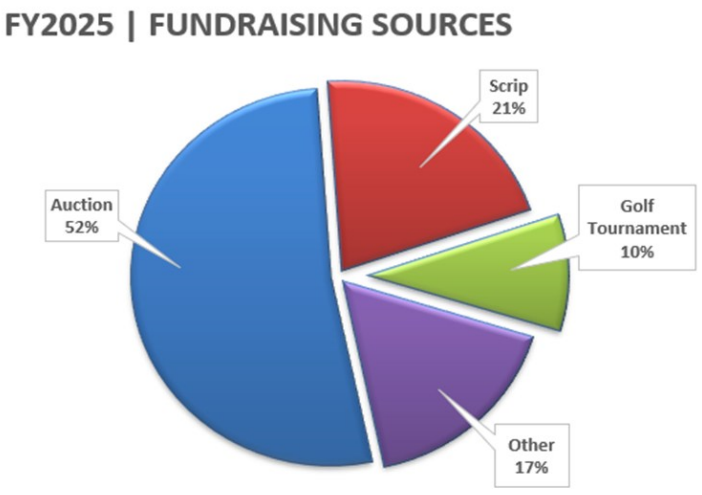

Fundraising

Fundraising has been a focus as we look for additional revenue sources to help keep tuition accessible. Each year our budget is fiscally conservative for our fundraising events, while our event planning is to achieve maximum results. Overall our fundraising contributed 11.2% and 12.2% to income for FY24 and FY25, respectively. Our Development Director, Karen Bombino, joined us in fall 2024. Her expertise in fundraising has already helped us see improved results.

	2023-24 (FY24)			2024-25 (FY25)		
Net Fundraising	**Budget**	**Actual**	**% of Total**	**Budget**	**Actual**	**% of Total**

WAYS TO GIVE—BUILDING A LEGACY

ONLINE GIVING– Donations can be made via the QR code and on our website at www.hrsedmonds.org, under Giving > Make a Gift. Recurring donations are an online option which provide a steady stream of support. It is a great way to manage charitable giving without the worry of missing a payment!

MATCHING GIFTS– Matching gifts are an easy way to double or even triple your donation! Please check with your Human Resource department to see if your company matches charitable donations. Many companies also have a giving campaign where they encourage your gift to come through a payroll deduction and often match these donations.

GIFTS IN KIND– Some donors take the opportunity to give tangible items to the school or individual departments. The school's front office can help you determine the acceptability of these gifts.

PLANNED GIVING– You can remember Holy Rosary School by leaving a gift in your will or estate plan. Please contact our Development Director, Karen Bombino at karenb@holyrosaryedmonds.org for more information.

THANK YOU

Thank you for taking the time to read our Biennial Report. We are deeply grateful for the generous contributors, dedicated community members, and faithful supporters who make our mission possible. Your commitment to our students, staff, and the future of Holy Rosary is a powerful reminder of the strength and spirit of our community. Every gift of time, talent, and treasure helps us grow, thrive, and carry forward our tradition of excellence. Thank you for walking alongside us in this important work.

STAYING IN TOUCH

Did you attend Holy Rosary School? We want to stay in touch with you and always love to hear from you and find out what you've been up to.
