1	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1)					
2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2026 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell F11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY 2026 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2026 budget does not, a completed deficit reduction plan is still required.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

The Members of the Board of Education
Community High School District 99
Downers Grove, Illinois

We have audited the financial statements of the governmental activities and each major fund of Community High School District 99 (the District) as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. We have issued our report thereon dated, November 10, 2025, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on those financial statements that collectively comprise the basic financial statements.

The accompanying Annual Financial Report is presented for purposes of additional analysis and is not a required part of the basic financial statements. As described more fully in Note A, this regulatory-based financial report is issued to comply with regulatory provisions prescribed by the Illinois State Board of Education, which is a basis of accounting other than, and differs from, accounting principles generally accepted in the United States of America. It is intended to assure effective legislative and public oversight of school district financing and spending activities of accountable Illinois public school districts. The effects on the Annual Financial Report of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

The accompanying Basic Financial Statements, Supplementary Schedules, and Notes to the Annual Financial Report, as listed in the table of contents of this Annual Financial Report, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Management is responsible for the other information included in this Annual Financial Report. The other information comprises the financial profile information, estimated financial profile summary, statistical section, report on shared services or outsourcing, administrative cost worksheet, itemization schedule, reference page, deficit reduction calculation, and Audit Checklist/Balancing Schedule, as listed in the table of contents, have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Members of the Board of Education
Community High School District 99
Downers Grove, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities and each major fund of Community High School District 99 (the District), as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 10, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

(Continued)

Report on Internal Control over Financial Reporting (Continued)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Community High School District 99
NOTE TO THE ANNUAL FINANCIAL REPORT
June 30, 2025

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This annual financial report for Community High School District 99 (the District) is supplementary information and is presented to conform to the regulatory provisions prescribed by the Illinois State Board of Education (regulatory basis), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP), as applicable to Illinois school districts. The significant differences between this regulatory basis annual financial report and the District's annual financial statements (which are presented in accordance with GAAP) are as follows:

The District's annual financial statements contain entity-wide statements that are not included in this regulatory basis annual financial report.

This regulatory basis annual financial report uses the modified accrual basis of accounting and the annual financial statements use both the accrual and modified accrual basis of accounting.

The basic financial statements of this regulatory basis annual financial report while similar to the governmental fund financial statements of the annual financial statements, present individual funds for Educational, Working Cash, and Tort while these funds are combined and presented as the General fund within the governmental funds of the District's annual financial statements. Additionally, the amounts presented as deferred inflows of resources on the governmental funds of the District's annual financials statements are reported as deferred revenues on this regulatory basis report.

The regulatory basis annual financial report utilizes account groups, explained below, while the annual financial statements do not.

1. General Fixed Assets and General Long-Term Debt Account Groups

Account groups are used to establish accounting control and accountability for the District's capital assets and general long-term debt. The accounting and financial reporting treatment applied to the capital assets and long-term liabilities associated with a fund are determined by its measurement focus.

Capital assets have been acquired for general governmental purposes. At the time of purchase, assets are recorded as expenditures paid in the governmental funds and capitalized, at cost, in the General Fixed Assets Account Group. Donated capital assets are listed at acquisition value as of the date of acquisition. Depreciation and amortization accounting is not applicable, except to determine the per capita tuition charge.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group, not in the governmental funds. The debt recorded in the District's General Long-Term Debt Account Group consists of general obligation bonds and leases.

The two account groups are not "funds." Account groups are concerned only with the measurement of financial position. Account Groups are not involved with measurement of the results of operations.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fund Balances

In the fund financial statements, the governmental funds report five components of fund balance: nonspendable, restricted, committed, assigned, and unassigned (the definitions for which are included in the notes in the District's annual financial statements). The Regulatory Model, followed by the District, only reports reserved and unreserved fund balances. Below are definitions of the Regulatory Basis components and a reconciliation of how these balances are reported.

Reserved Fund Balances are those balances that are reserved for a specific purpose, other than the regular purpose of any given fund.

Unreserved Fund Balances are those balances that are not reserved for a specific purpose, other than the regular purpose of any given fund.

The first five columns of the following table represents Fund Balance Reporting according to GAAP. The last two columns represent Fund Balance Reporting under the regulatory basis of accounting utilized in preparation of the annual financial report.
