RE: 2025-2026 SandHoke Parking Agreement

All SandHoke students driving to the Hoke Campus or SCC Main Campus must register their vehicle at SandHoke Early College High School. To register, provide your driver's license, vehicle registration, and proof of insurance. A **non-refundable \$50 parking fee** applies to all student parking, regardless of campus.

Parking Locations:

- **SCC Main Campus:** Park only in designated student parking areas.
- **Hoke Campus:** Parking is restricted to the SandHoke parking lot. Students parking daily at the Hoke Campus will be assigned a spot for the school year. Parking spots are first come, first serve.

Parking Spot Priority: Students enrolled in courses at SCC Main Campus or college-level courses at Hoke Campus receive priority for parking spots during the registration period. Any remaining spots will be advertised after each semester.

Driving Privileges: Parking privileges will be revoked if a student's driver's license is revoked by the DMV due to not passing 70% of coursework each semester. Parking privileges may be suspended for failure to follow school rules or failure to comply with parking procedures. No refunds will be issued for revoked/suspended parking privileges.

Parking Lot Conduct: Loitering in the parking lot or frequent trips to vehicles without front office permission are prohibited. Students are responsible for securing their vehicles at all times.

Compliance & Consequences: Failure to comply with these expectations will result in:

- Suspension/revocation of campus parking privileges.
- Vehicle parking fines from SCC (must be cleared before course registration).
- Vehicle towing, at the owner's expense.

As high school students experiencing college, compliance with all high school and SCC policies and procedures are expected. *To secure a parking pass, please contact Mrs. Diane Lucas at 910-878-5806.*
