Business Administrator/Board Secretary

Mr. Jon Paul Bollette
Principal/Coordinator of Instruction

October 30, 2025

Dear Parents and Guardians of the Green Township School District,

The Green Township School District is committed to providing our students and staff with a safe and supportive learning environment. When an incident occurs that may impact our students and staff, our priority is to communicate and provide accurate information. To that end, we are writing to share an important update regarding an incident which occurred on Thursday, October 30, 2025.

The Green Township School District was placed on a shelter in place for approximately 38 minutes on Thursday, October 30, 2025. A visitor to the district was not feeling well which prompted our emergency protocols to be initiated. Emergency medical professionals arrived on scene to support the situation and provide the care necessary.

Throughout the duration of the shelter in place, the students remained in their classrooms and continued their academic studies. The students resumed normally scheduled programming once the shelter in place was lifted. Following the event, Dr. Cenatiempo went to each classroom and spoke to each group of students about the incident to ensure that all students felt supported. There were no students or staff involved in this event. Our students and staff handled the shelter in place according to our plans and are to be commended for their appropriate response to this situation. Please reach out to the school with any questions or concerns.

Sincerely,
Jennifer Cenatiempo, Ed.D.
