

WOODBROOK ELEMENTARY SCHOOL STRATEGIC PLAN

2025-26

Vision for Albemarle County Public Schools: Our learners are engaged in authentic, challenging, and relevant learning experiences, becoming lifelong contributors and leaders in our dynamic and diverse society.

Mission for Albemarle County Public Schools: Working together as a team, we will end the predictive value of race, class, gender, and special capacities for our children's success through high-quality teaching and learning for all. We seek to build relationships with families and communities to ensure that every student succeeds.

School Statement: Woodbrook has a passion and willingness to meet the needs of our students by using data to drive instructional decisions and by providing a viable curriculum, rich learning experiences, and meaningful content. It is our earnest expectation to build trust, ignite enthusiasm, and to partner with our students, families, and community to promulgate the goals for our division. By demonstrating our own lifelong learning, the faculty and staff of WES seeks to be open and responsive to all walks of life, by providing a culturally inclusive learning environment, as we strive to be the premier elementary school in Virginia.

Definitions

Strand I: Thriving Students

1. Guaranteed and viable curriculum

Guaranteed and Viable Curriculum with Integrity: All students will have access to a guaranteed, viable, and inclusive curriculum, implemented with integrity to ensure equitable outcomes across the division. (Strategic Plan Goal 1 Objective 1 Strategy 1: CRE 1.3, and Bellwether)

Rigorous Instructional Tasks for All Learners: All educators will organize instruction around rigorous tasks that allow all students—including Black and Latinx students—to deeply engage with challenging, standards-aligned content and demonstrate learning in authentic ways. (Bellwether)

Culturally Responsive Education in Practice: All instructional staff will be responsive to students' culture as they create inclusive environments, ensure the curriculum reflects students' diverse identities, foster authentic relationships, and promote equity in everyday actions. (CRE Framework)

2. On-going assessment and analysis of student progress

Processes for Data Collection, Analysis, and Decision Making: Educators will implement data analysis and decision-making protocols with integrity in alignment with a valid, reliable, and balanced assessment system (FQL, CRE 2.1)

PLC Implementation with Integrity: All licensed staff will participate in Professional Learning Communities (PLCs) with integrity, engaging in collaborative data analysis and instructional decision making to enhance teaching and learning practices. (Strategic Plan Goal 1 Obj 1)

Accountability to the Theory of Change: All stakeholders will utilize the Theory of Change to hold each other accountable for intermediate outcomes and assess our collective effectiveness at improving student outcomes (Bellwether)

High-Quality Assessments and Data Sources: Assessments and data sources used for instructional decision making support a valid, reliable, and balanced assessment system (e.g. Quarterly, VALLS, Common Inst. Tasks, HMH, Formative, etc.) (FQL)

3. Professional Learning

CRE Micro-credential: District staff will collaborate with school leaders in developing, implementing, and monitoring a plan for meeting the division expectation of 100% principals and teachers obtaining the CRE micro credential by 2026.

Professional Learning that Supports Transfer into Practice: Schools and departments will engage in a systematic approach to adult learning that combines workshop-based PD, job-embedded coaching, and PLCs to support staff, at all levels, to develop the skills to continuously improve instruction. (Bellwether)

Culturally Responsive Education/Policies ACC & JBA: School leadership teams, Equity Coordinators, and DRTs will collaborate to determine a plan that includes identifying and implementing professional learning needed to support staff with the use of CRE Strategies.

Teacher Leadership Capacity: Identified teacher leaders have the necessary capacity to support teacher professional learning (Bellwether)

Coaching Practices: Job-embedded PL supports (e.g. Instructional Coaches, LTIs, etc) target support with the schools and/or teachers that need it most, with a focus on transforming instructional practices and teacher actions (Bellwether)

Principal and AP Leadership: Principals and APs have the necessary capacity to serve as instructional leaders such that they can pair instructional vision with their ability to serve as a coach to their teachers and instructional staff (Bellwether)

Department-Based Leadership: Identified central staff / department members have the necessary capacity to support educator professional learning (Bellwether)

Technology to Transform Learning: Equitably accessible technology resources and aligned professional learning transform learning experiences and opportunities for all students (Strategic Plan: Goal 3, Obj 3)

Strand II: Affirming and Empowering Communities

4. Creating positive learning environments for students and staff

Employee Engagement: 24-25 Gallup item or cluster that they think will be most impactful to increase engagement in 25-26.

Student Sense of Belonging: Schools will analyze data on a regular basis (at least biweekly) to optimize student attendance and sense of belonging, as well as reduce discipline infractions.

Strategic Alignment Between Roles / Levels: What is held "tight" and "loose" across a school, department, and/or division is clearly defined; where structures are "tight," guiding resources provide direction that promotes shared commitment and agency. (Bellwether)

Social-Emotional Learning with Integrity: Educators implement with integrity a social-emotional learning curriculum, including Responsive Classroom and Developmental Designs, in grades K-12 (Strategic Plan: Goal 1 Obj 2)

5. Family engagement

Parent Conferences. Schools will partner with families to stay abreast of individual student progress through holding fall and spring parent-teacher conferences as well as providing progress reports at the midpoint of each nine weeks.

Academic Events. Schools will host 4 academic family events focused on reading, math, and/or content.

Communications. Schools will develop and implement a communications plan to include regular updates from the principal and maintenance of updated websites and social media with consideration for culturally and linguistically diverse families. (CRE 3.2)

Engaged Families Around Learning: Families engage in opportunities for increased visibility into what students are learning, what "on-track" looks like, and what strategies they can use at home to support their students. (Bellwether, CRE Framework 3.2)

Community Partnerships Around Learning: Educators invite the cultural wisdom of the community into the classroom and build on community funds of knowledge to support the education of all students (CRE Framework 3.3)

Stakeholder Communication and Engagement: Effective communications and approaches to community engagement develop asset-based partnerships with stakeholders in our school community (including those without children in our schools) (Strategic Plan Goal 2 Obj 3)
