8. Please don't park illegally: Students, please remember not to park in the dirt area along the frontage road. Parking there is illegal, and the Highway Patrol may issue tickets. It also creates challenges for our neighbors, and we want to continue being good partners in our community.

With the opening of our new parking lot, there is plenty of space available, and getting a parking permit is quick and easy. Please take advantage of the designated student parking areas and help us keep things safe and positive for everyone.

Display your parking permit: Students, please remember to display your parking permit every day. It's fine to keep it on your dashboard, as long as it's clearly visible. This helps us manage the parking lot efficiently and ensures you're parked in the correct areas.

If you don't have a parking permit yet, please apply today—it only takes a few minutes. If you've lost your permit, please see Ms. Beltran for a replacement. Thank you for helping keep our parking process smooth and safe!
