EL Updates

- Perspective on ELAC meetings
 - Different attempts for increasing attendance
 - morning, afternoon, evening attempts
 - childcare
 - food
 - needs for students valuing level 4 EL classes
 - having parents understand the need/importance of EL classes
 - gender differences between language buy-in
 - motivating students to utilize language more
 - having trouble getting students and families to attend to give resources and information
- *maybe inviting interpreters in classes and providing information on the privilege and career needs for bilingual individuals
 - reaching out to interpreters to
- Advising with EL students in counseling
 - most want community college
 - trades programs
 - off track- AB2121 for possible waivers
 - parents information on adult language classes at EC campus
 - most kids want to graduate and care
 - each meeting takes a bit longer due to language
 - intervention conversations due to background of not valuing education the same way
 - cultural barrier of the males having to speak with female counselor
 - a lot to learn about to adjust to US male culture
- have productive ELs speak to unproductive ELs (buddy system?)
 - outreach with learning to read transcripts, and using systems
- possibly going in to the adult ed classes for who may be parents that attend EC
 - "Bringing the meeting to the parents for ELAC"
- Los Rios EL info night for population in transition for entire families students and parents
- FACE mobile Community Care Hub to overlap with ELAC 1/26
- Title 1 Parent Allocation funds are going to ELAC engagement
