Remembering Our Why

Vision Map:

- Innovative Professional Culture
- Genuine Interdisciplinary Learning
- Uplifting Faculty to Faculty Collaboration

We believe:

Increased student performance in a range of areas, including on traditional metrics, will be result of a system that is grounded in these beliefs.

Community Update

- **The status of benefits under the Federal Supplemental Nutrition Assistance Program (SNAP) is currently uncertain.**

- **The provision of free breakfast and lunch to all school district students is unaffected by the current status of Federal budget negotiations. Free breakfast and lunch will continue to be provided to all students each day.**

- **Families are encouraged to contact their child's school counselor or our Family Resource Center for assistance in connecting with food resources. Our wonderful community partner, Croton Caring, is also positioned to help our students and families during this time. Our Family Resource Center can assist in connecting families with Croton Caring support, if needed.**

  In addition, our Child Nutrition webpage includes links to community programs and local agencies that provide meals, food pantries, and other support services.
