**Dear Spring Hill Middle School Families,**

As we prepare to begin another exciting school year, we want to take a moment to share an important focus for our staff, students, and families: **student accountability**.

At Spring Hill Middle School, we believe every student has the potential to grow academically, socially, and emotionally when held to high expectations in a supportive environment. This year, we are emphasizing the importance of students taking ownership of their learning, behavior, and choices both in and outside of the classroom.

**What Student Accountability Looks Like:**

- Arriving to school and class **on time** and prepared with materials.
- Completing classwork and homework **to the best of their ability**.
- Seeking help when needed and making up missed work responsibly.
- Following school rules and showing **respect** to peers, staff, and themselves.
- Reflecting on choices and learning from mistakes.

It is important to understand that **a lack of accountability may impact a student's ability to progress to the next grade level**. Academic performance, consistent attendance, participation, and behavior are all key components of promotion decisions. Our goal is not to penalize students, but to ensure they have built the skills and habits needed for long-term success.

We know that success happens when schools and families work together. That's why we are asking for your support in reinforcing these expectations at home. When we communicate regularly, stay involved, and set clear standards together, students thrive.

**How Families Can Help:**

- Check your child's planner or online portal for assignments and grades.
- Ask your child what they are learning and encourage goal-setting.
- Ensure consistent attendance and follow up on any concerns.
- Praise effort and progress, not just results.

We will be providing students with tools and routines to build personal responsibility—from digital planners to reflection journals and teacher mentoring opportunities. We are committed to helping every student build confidence, independence, and pride in their progress.

Let's partner to make this a year of growth, focus, and achievement. If you have any questions, concerns, or would like to connect with a staff member about how to support your child, don't hesitate to reach out.

Thank you for your continued support and for trusting us with your child's education.

Warm regards,

**Lamont L. Graves**  
Principal
