

# November

CTE - AG w/ Mrs. Adams

## What We Are Learning

Students will demonstrate professional standards/employability skills that are required by business in the agriculture food and natural resources industries. Students then will demonstrate appropriate personal and communication skills by presenting a career project. Students will apply proper record-keeping skills as they relate to the supervised agriculture experience

## Talk About Learning

SAE (Supervised Agriculture Experience)  
7 AFNR (Agriculture, Food and Natural Resources) pathways - Agribusiness systems pathway, Animal Science systems pathway, Environmental Systems Pathway, Food Products and Processing Systems Pathway, Plant Systems Pathway, Power Structures Systems Pathway.  
How to use proper communication (verbal and non-verbal skills)

## What We Need

Tissues, Pencils & Hand Sanitizer

## Important Information

PAFNR students should bring a pen or pencil to class every day!! Weekly objectives are posted in Google Classroom for students and parents to see what we are doing each day!

Parents encourage your child to spend at least 10 hours per 3 weeks outside conducting activities related to agriculture (watering plants, walking the dog, etc.). Hours will be added to student AET account for their SAE project.

## Upcoming Events

11/4 & 5 - Career Project Presentations  
11/10 - Godley FFA Major Entry Night and FFA Meeting  
11/12 - District LDE Contest  
11/21 - Area 8 LDE Contest
