## Mill Pond's Book Vending Machine

A HUGE shout out to our PTA for continuing to purchase our books for our vending machine! The PTA understood and supported our vision. They have committed to helping provide books to support our PBIS initiative, Pawsome Citizen.

The good character committee along with our climate and culture committee continue to work toward making our school PBIS initiative possible. We began last year discussing what positive behavioral supports were needed for our students.

During the first few weeks of school, teachers introduced our building expectations: Be Kind, Be Responsible, and Be Respectful.

Teachers recognize these traits and celebrate them with wristbands so they can go home and share with their families.

Every few weeks, students have the opportunity to earn a cubby coin to use at the book vending machine. Congratulations to our Mill Pond Pawsome Citizens!

## Morning Announcements

Our kindergarten and preschool classes have taken over our morning announcements! Each week, we welcome one class into the main office. They lead the building everyday with The Pledge of Allegiance. The students end the announcements wishing everyone a great day!

## Halloween Fun

Students had so much fun seeing each other's costumes as they traveled the halls in a grand display of creativity! Our own WLTS came over to assist in making a video to share with our parents. The day was followed by individual classroom parties. Parents volunteered their time to assist in some wonderful crafts and sharing of snacks. There is no sweeter place than Mill Pond!

## Veterans Day

On Veterans Day, the Forked River School's fourth and fifth grade students had the opportunity to meet with and recognize veterans of the United States Armed Services. Our special guests discussed their duties, experiences, and the importance of serving our great country. We would like to thank our special guests for taking the time to visit with our students and for sharing their experiences.

In honor of Veterans Day, the students and staff at the Forked River School also completed a school-wide display honoring family members and friends who have served or are serving in the military. Students recorded each veteran's name and military branch on red, white, and blue stars which were then displayed in our front foyer for all to see. The display also included flags and posters from the various branches of the military.

## PTA Color Run

On Friday, October 17th, the Forked River School PTA hosted their annual Color-A-Thon run after school on our backfield. Our students and their families enjoyed jogging the course and running through the powdered color as it was thrown along the way. Thank you to Mrs. Maguire, Mrs. Van De Water, our entire PTA executive board, our PTA parent volunteers, our staff volunteers, and all of our participants for a fun event!

## Halloween

On Thursday, October 31st, the Forked River School staff hosted many fun and educational Halloween-themed activities. Thank you to our classroom teachers for arranging celebrations, our special area teachers, Mr. Boedigheimer, Ms. Faille, Mrs. McAndrew, Mrs. Paris, and Mrs. Sharkey, for hosting their annual Spooktacular, and all staff who assisted with the festivities!

## Red Ribbon Week

During the last week of October, we celebrated Red Ribbon Week with daily spirit wear themes. Our staff also provided various developmentally-appropriate activities designed to raise our students' awareness of the importance of making healthy choices in all aspects of their lives.

## Community Service

Mrs. Nachman's Heroes Club students organized a school-wide food drive for donation to the Lacey Food Bank for the families in our community who are in need for the Thanksgiving holiday.

The FRS Helping Hands Committee is also coordinating and preparing food baskets for our Forked River School families in need for the Thanksgiving holiday.

Mrs. Tyhanic's Intergenerational Club students organized a school-wide paper-goods drive for donation to the Lacey Food Bank for the upcoming Thanksgiving holiday as well.

Our students and staff also participated in a coin drive to benefit the Tyler Webb Memorial Scholarship that will provide a group of our graduating 2026 LTHS graduating seniors with scholarships for attending a trade school after graduation in Tyler's honor.

On behalf of the Forked River School family, we would like to wish everyone in our great community of Lacey Township, an enjoyable Thanksgiving Holiday with family and friends!

## Middle School Club Updates

Exciting things are happening in our middle school clubs! All clubs are now meeting regularly, and new members are always welcome to join in on the fun.

The Yearbook Club is buzzing with creativity as they make their final decision on this year's cover and theme. They're also planning advertising and marketing strategies, brainstorming section layouts, and encouraging everyone to submit photos through Yearbook Snap for a chance to be featured in the final edition!

The Drama Club kicked off with an energetic introductory meeting and is now gearing up for auditions and callbacks over the next two weeks. Rehearsals will begin in November, and the set design team is already dreaming up props and stage designs for their upcoming performance.

Meanwhile, the Chorus is hard at work during lessons and after-school rehearsals, preparing for the highly anticipated winter concert. Students are auditioning for solos and even creating the artwork for the concert program!

The Band is also in full swing, holding weekly rehearsals as they get ready to wow audiences at their winter concert on December 11th.

The Student Council has been incredibly active, spreading school spirit and kindness. After organizing a "Week of Kindness," candy drives, perfect attendance incentives, and themed spirit days, they're now planning exciting future events like the Battle of the Classes, the 8th Grade Dance, and more spirit weeks! They also helped "chalk the walk" with positive messages and led a schoolwide kindness reflection project using "paws of kindness."

Finally, the National Junior Honor Society (NJHS) is showing true leadership and compassion through several service projects, including a sneaker collection and can tab drive for the Ronald McDonald House. They'll also be helping with painting scholarship nights at Lanoka Harbor and Forked River Schools, organizing a canned food drive, and taking part in the rescheduled Trunk or Treat event.

Our middle school clubs are thriving—keep up the amazing work, and don't miss your chance to join the fun and make a difference!

Before that, Aidan spent his freshman and sophomore years in the STEM program, where he built a strong foundation in science, technology, engineering, and math. These are skills that will serve him well in any future career he chooses to pursue.

Through every match and every practice, Aidan has shown what it means to be a true competitor and teammate.

Aidan's journey is a testament to the power of balance, as he excelled academically while committing to athletics and personal growth. He has set a remarkable example for his peers, and we could not be prouder of all he has accomplished.
