**BERTHA C. BOSCHULTE MIDDLE SCHOOL RECEIVES “ALL CLEAR” FOLLOWING
PRECAUTIONARY LOCKDOWN**

On Friday morning, November 14, 2025, Bertha C. Boschulte Middle School (BCB) was placed on lockdown after a call was received through 911, reporting a potential threat to the campus. The school immediately activated safety protocols, and students were evacuated to the designated staging area to ensure their safety.

Following the evacuation, the Virgin Islands Police Department (VIPD) conducted a thorough search of the schools' campus. Due to the extended interruption of school operations, students were dismissed early at 12:45 pm.

After completing their procedures, school officials received the “All Clear” from VIPD, confirming there were no active threats on either campus. Students remaining in the vicinity were allowed back inside the building to retrieve their belongs. Schoolbags left behind on campus can be picked up on Monday morning.

All potential threats to campus are taken seriously and the safety of our students and school personnel remains our highest priority. Students are reminded of the seriousness of making any kind of threats that could compromise the safety of fellow students and school personnel.

This matter remains under investigation by the Virgin Islands Police Department and other law enforcement agencies.
