Radney Elementary School Continuous Improvement Plan 2025-2026

William L. Radney Elementary School

Vision

The vision of the Alexander City Schools is to cultivate a pathway of success for scholars to become graduates that are fully equipped to contribute as productive members of society.

Mission

Inspiring hope and creating pathways for scholar and community success.

Beliefs

Our goal at Radney is to “Bridge the Gap” between elementary and secondary, as we prepare our scholars for the next steps in their academic careers. We will engage, challenge, and push our scholars to be successful, while ensuring high expectations for ourselves and our scholars.

Reading Academic

Objectives

- Develop and utilize effective instructional practices to increase reading student achievement.

Critical Initiatives

- Apply effective strategies at every level of instruction to achieve a 12% improvement in reading proficiency (1-year goal).

Math Academic

Objectives

- Develop and utilize effective instructional practices to increase math student achievement.

Critical Initiatives

- Apply effective strategies at every level of instruction to achieve a 12% improvement in math proficiency (1 year goal).

School Culture

Objectives

- By the second semester of 2025-2026, increase staff trust and morale by 10% in survey ratings of leadership from baseline to second semester data.
- Foster a school environment that emphasizes the importance of student attendance.

Critical Initiatives

- Foster a supportive culture to boost staff morale, trust, and collaboration through recognition, wellness efforts, and strong admin support.
- Integrate positive supports and activities to boost student attendance, aiming for an average daily attendance (ADA) above 92% (1-year goal).
