SJA TENNIS CLASSIC

Friend of SJA,

I'm writing to request your support of our 12th SJA Tennis Classic. This year's tournament, hosted by the St. Joseph's Academy Alumnae Association, will be held March 6-8, 2026, at Bocage Racquet Club. This event is growing in popularity, and we anticipate that the tournament will draw more than 350 players this year. This tournament brings together tennis players from all over the state as well as our alumnae community for a safe, fun event that raises money for SJA at the same time.

This event supports the SJA Tennis Classic Scholarship, which provides need-based tuition assistance to deserving students and their families.

Your support of the SJA Tennis Classic is important in making this event a success. We hope you will consider one of the following levels of support this year. We need your help, and we hope your company will consider patronage of our 2026 tournament. If your company is not prepared to invest in the tournament at any of the levels described here, please know that in-kind donations are also of substantial value to us, and we welcome your contribution.

I welcome the opportunity to discuss any level of donation in which your company is interested. Thank you in advance for your consideration and for all you do for St. Joseph's Academy. I look forward to working with you to make this year's tournament a success! To complete an online sponsorship form and pay with a credit card, please visit www.sjatennisclassic.org.
