Building Bridges Event - Gina and Leann
Hosting family event to connect with parents and build partnerships
Fliers given to all families at conferences
Jan 29 - conference style
Resources
20 minute parent learning sessions on variety of topics
Free dinner and childcare
No registration
Able to accommodate 100 kids for childcare

Translated fliers
One goal of event is to get parent feedback to help adjust event for future years
“Future Events” table available for PTA/Os to have fliers there
Jenn: Encourage people to apply for free reduced lunch at event

---

Sumner-Bonney Lake Builds - **Matt and Marina**

- **SHS - phase 2**

Sister building to phase 1
Housing CTE, gen ed, tiny sparts, DLC
Currently in design
Open fall 2028
Selected general contractor last night at board meeting

- **BLHS**

Have a front that actually looks like a front
Creates iconic entrance
Roundabout for intersection -- alleviate problems
New welcome center with access to front office -- build the hill and strong panther power

- **New middle school**

Fully graded and in condition for when we take ownership in about a year
Break ground in 2027 finish in 2029
Commons down middle
Three story classroom wing
900 kids
Great views, beautiful environment
Ample parking and queuing
Alleviate pressure at LMS and MMS
Not sure if kids will start mid-year

- **THE**

Adding 8 classrooms
New renderings
Add new queuing lane
Add parking

- **DEE**

Turf, lit fields for multi-use
New parking area and taking queuing around parking area
Queuing going from 150 ft to 1,100 ft

- **DVE**

Multi use, turf field
Concessions, restrooms, batting cages

- **LRE/CWE**

Both getting facelifts - full interior -- new paint, teaching stations, reconfiguring admin and security. New floor in gym.
Trying to get rid of exterior doors -- studying this. Balance between life safety and security with access points. Hallways are really wide. Where we can, we'll close off exterior doors. The biggest intrusion is water.

Q: Lelani: Will we get a new PA system? A: Not sure if PA system will be addressed. But working on gym sound system.

Q: Have we looked at VFE -- all kinders have exterior doors and portables? A: On septic systems impacts what we're able to build and not build on the site. Purposeful for doors for kindergarten. As a safety/security we could put on a list to be explored for the future.

Q: Jenn: What's going to happen with the new middle school? A: Yes, boundary revisions. Tweaking with high schools - just some. Some tweaking for elementary. Process not done in vacuum. People will be invited. We're not there yet. Will be well publicized with people to be on committee. Will be talked about at board meetings.

NOTE: School boundaries will change -- district boundaries will not.

Q: Do we have a list of what will change for CWE and LRE? A: Not yet. We'll be working with school teams to drill down on the project scope. Then we'll create a flier.

Q: Can the THE parking happen prior to expansion? A: Hard to break out separately due to the nature of land development. Once we have a contractor, we'll know the schedule for each piece.

Note: 18 classrooms at BLHS (bond said fewer)

SHS Phase 2 -- it's all of the gen-ed classrooms once done.

SHS Phase 3 -- Music, arts, sports and admin, gym, pool, PAC

Marilee: What's the way you would like to get info about our bond projects?
Leilani: It's online, Facebook -- comms doing good job. Handing on paper falls short because can change.

Boards in buildings, not everyone goes online
Have a picture with bullets posted in the office (all schools)

Audrey: Comms great with link to website

Toybox flier: Marilee
Not intended to replace what's doing in schools, it's a community safety net
Want to make sure everyone gets support
We're at 200 families and 500 students includes preschool
Partners: YMCA, East Pierce Fire and Rescue, Sumner PD
Looking for donations and financial help
Need donations by 5th

Screenagers flier: Marilee
School refusal workshop flier: Marilee

Around the Table reports

VFE
Walk-a-thon success over $21,000
Red Robin over $1,100
Money goes into winter family night in December
Will have actual photo booth
