### **BOARD DISCUSSION**

During the Board Discussion, the board would like to recognize Deer Park Jr/Sr High School for becoming a Heart Safe School through Project Adam. Following a cardiac emergency response drill in the building, in partnership with Cincinnati Children's Hospital, the high school has completed the requirements for the designation. Thank you to our school nurse, Christie Scholl, for the organization at the high school, both buildings have now satisfied the requirements to be Heart Safe.

The Board would like to take a moment to recognize the success of the Volley for the Cause volleyball game held on Monday, September 30th at Deer Park Jr/Sr High School. This incredible event, organized by volleyball player Grace Loudon in conjunction with the JV and Varsity volleyball teams, raised \$1,025, which will be donated to Cancer Free Kids. Grace's leadership, along with the efforts of the JV and Varsity volleyball teams brought this event to life. The event included basket raffles, split the pot, and a bake sale and donations from supporters, including friends, families, and members of Deer Park volleyball. This initiative highlights the positive impact our students and community can have when we come together for a great cause.

The 10th Annual American Heart Association (AHA) Fundraiser Dinner and "Red Out," supported by our boys' and girls' soccer teams on September 9th, was a huge success! The event raised a total of \$1,055, all of which will be donated directly to the AHA to support heart health initiatives. The Board would like to extend its sincere thanks to the community for their continued support of both this important cause and our soccer teams. A special thank you goes to Matthew

Bosse for his leadership and passion in organizing the event. We would also like to thank the Bosse family, Greg Huster Jr, Karen Henry, Colette Lewis, Stephanie Novak, Erin Harris, Karen and Tracy Kellums, Micah Hedges, Ed Hensley, and Leslie Petrosky for helping spread the vital message of heart-healthy habits.
