WINTER ASSESSMENTS:

Winter assessments will be held the first 2 weeks of December. We take assessments on the iPad in both ELA, Dec. 4th, and Math, Dec. 9th. These give us an idea on how much growth students have made so far this academic year. Here is how you can help your student do their best:

- *Encourage taking their time.*
- *Help them get a good night sleep.*
- *Send them with eyeglasses if needed.*
- *Make sure they have a good breakfast.*

Results should be sent out at the end of winter break with progress reports.

PROGRESS REPORTS:

Your student's progress report for 1st semester will be available to view on Power School during winter break. The office will send out information about when they can be viewed. A paper copy will be mailed at the end of winter break as well.
